

TIME TO CHANGE TIME--from daylight saving back to standard which brings up an old question again--is it earlier or later? The young man here with the pliers and screw driver is ready and willing to do his bit to bring about the change. He isn't just sure what the change will be, but after Sunday (Oct. 25) he will know. It will mean it will be dark when he goes to bed and not daylight and there is one thing you can be sure of--he will want to know why and when his parents, Mr. and Mrs. Donald Reiter of Joliet, or his grandparents, the Hugo Niehammers of Mokena finish with a long and detailed explanation Tommy, that's the young man's name, will have still another question--"why is that?"

Well, Tom, not to give you a short answer there is a law in Illinois which states that beginning the last Sunday in April one should set his clock ahead one hour and on the last Sunday in October one sets his clock back an hour. Why? Well, Tom suppose we look at it another-----

Carl Sandburg Holds 9th Annual Harvest Feast Saturday Oct. 24

Ham 'n' Yam will be the featured entree at the Ninth Annual Carl Sandburg high school Harvest Feast to be held Saturday, Oct. 24 at 133rd LaGrange road (US 45, Orland Park). Many additional eye appealing and taste tantalizing side dishes have been planned.

Mrs. John Alfirevic, budget and finance chairman, 12635 S. 76th ave., Palos Heights, Gibson 8-5164 is in charge of all ticket sales. Her committee members include:

Mrs. Sam Willeford Sr. (Hickory Hills) Garden 2-0465; Mrs. Frank Buck (Orland Park) Fieldbrook 9-3023; Mrs. Harwood Stellwagen (Orland township) Mokena 2423; Mrs. Frank Wicks (Palos Heights) Gibson 8-1687; Mrs. Gus Johanson (Palos Hills) Gibson 8-2210; Mrs. Arthur Elkin (Palos Park) Gibson 8-4266; Mrs. Raymond Walsh (Worth) Gibson 8-5400

The budget and finance assistant chairman, Mrs. J. L. Smith, Palos Park, states that a selected number of dishes are planned that will blend flavorfully and hopes in this way to please the palates of even the most discriminating gourmets.

For the public's convenience, there will be three dinner hours to handle the flow of patrons more quickly. The color of tickets will denote the specified serving times: blue, 5 pm., yellow, 6 pm., green 7 pm.

Home baked cakes will top off the sumptuous feast and the busy PTA cooks will have a rich assortment.

The proceeds of this, the only fund raising event of the year, provides two annual PTA scholarships and through generous public support enables the PTA to continue its useful and varied activities.

Chairman of the various committees who will undertake the planning of the ninth annual harvest feast include the following:

Dining room, Mrs. E. A. Galapro; main tables, regional vice presidents; table decorations, Mrs. Joseph Yurtis and Mrs. Richard Fraake; main table decorations, Mrs. Florence Marsano; kitchen, Mrs. Frank King; ham donations, Mrs. Albert Swayne; fruit boat, Mrs. Arthur Elkin; salad, Mrs. Charles Scheurer; cakes, Mrs. Joseph Slivon, Mrs. Stanley Mrosek Mrs. Richard Barry; coffee, Mrs. Norman Beaulieu; bread and rolls, Mrs. Frank Buck; relishes, Mrs. Harry Maas and Mrs. Frank Wicks return of dishes, Mrs. George Lundin.

The above is an incomplete list, but additional chairmen will be appointed as the need arises.

Make this a family night out and come and enjoy another traditional Carl Sandburg food festival. Remember the date, Saturday, Oct. 24th.

Frankfort to Take Bids on Sewer Monday

The Frankfort village board will take bids on a sanitary sewer system, including a sewage treatment plant, at a meeting next Monday night in the village hall. The meeting is scheduled to begin at 8 o'clock and all bids must be in the hands of the village clerk by that time.

Robert Hamilton of Joliet, engineer, who has drawn the plans for the sewers and the treatment plant

told the Frankfort board at its Monday meeting this week that considerable interest in the project has been displayed by contractors.

Twenty seven contractors have taken out plans for the sewer system and 30 have taken out drawings and specifications for the sewage treatment plant.

Frankfort has been trying for years to install a modern sewer system to serve the community. This

year it has met success. The people gave wholehearted approval of the general obligation bond issue that will be used in part payment of the improvement. The remainder of the cost will be met thru the sale of revenue bonds.

If all of the contractors who took out plans make bids it is not likely that the board will be able to award a contract next Monday night it was pointed out. Plans now call

for turning the bid figures over to Hamilton for compilation and report.

At the meeting Monday night the council approved final plans for the McIntosh subdivision, Lincoln Meadows, Unit 2, (north of U.S. 30 and west of U. S. 45) subject to approval by the plan commission and Village Attorney Albert H. Krusemark.

Tentative plans were approved

several months ago. No word has yet been received from the New York Central railroad relative to reassignment of a lease now held by the Lions club on vacant property along Kansas st. which could be utilized for off-street parking. The Lions club has been using the site for an ice rink but would turn it over to the village as a parking lot if the village will build them a rink in the park.

July Sales Tax Bonanza for Villages

Cities and villages sharing in the distribution of the Illinois sales tax hit a jackpot in the July distribution. Municipalities can collect a one-half per cent tax on sales within their confines.

It is collected by the state and turned over to the cities and villages less a four per cent bite the state takes for its so-called administration costs.

The shares received by most municipality this month--representing July collections--was considerably higher than usual. That is because the net total--\$5,346,593--included \$1,076,725 covering June which had not been received by the state department of revenue in time to be included in the June report. The reason it was not received on time--it was explained earlier in connection with the June figures--was because the return date was switched.

Also included is \$5,350 paid under protest but these payments are not involved in a suit and are now rebated to the cities in which they were collected.

The number of participating municipalities in the July returns is 1,068. The number is now 1,081. Returns for July to municipalities in the area are:

Mokena Dedicates Sanitary Sewer and Treatment Plant

Officials and residents from nearby communities joined those from Mokena last Saturday in the dedication and formal opening of Mokena's new sewage treatment plant.

The dedication ceremonies took place at 2 o'clock Saturday afternoon with Mokena's mayor, James Marti, serving as master of ceremonies.

Speakers included Samuel Wiebel of Washington D. C., Edward Marek, Springfield, Robert Hamilton, Joliet, the engineer, and John Scarth, one of the owners of the Mokena Wallpaper Mill and former mayor of Mokena, under whose administration the sewer program was developed. Scarth himself was responsible for pressing a successful application for a federal grant of \$63,000 to aid in erecting the treatment plant. This grant was obtained under a congressional act designed to prevent stream pollution.

Mr. Wiebel, head of the construction grants division of the U. S. health service, said he was surprised to find a community the size of Mokena to have completed a sewer system and complimented village officials and residents on their progressiveness and far sightedness. The village not only looked after its own health but also that of other citizens in the section thru reduction of stream pollution.

Mr. Marek, of the state health service, added his congratulations to those extended to the village by Wiebel. Mr. Hamilton, who designed the treatment plant and the sewer system explained the operation. The treatment plant can take care of a population now of 3,600, and can be enlarged quite easily to take care of any foreseeable future needs, he said.

Mayor Marti summarized in pushing the sewer plans to a successful conclusion and in the name of the residents thanked them for the long hours spent on the task.

There are still some people in the village who have not yet connected their homes with the sewer, the mayor said, and pointed out that they had better arrange for such connections immediately because beginning now they are being charged for sewage service.

Among visiting officials introduced by Mayor Marti were Mayor George Sangmeister of Frankfort, where a sewer system is scheduled to be started this fall; Mayor Stanley Gilmore, of New Lenox who hopes to get sewer plans launched soon and Mayor Sylvester E. Ricketts, of Monee.

The sewage treatment plant, built by Lindblad Construction Co. Joliet, cost \$148,000 and the sewer system itself laid by Blaine Saxton, Mokena, cost approximately \$141,000. The program was financed thru issuance of general obligation and water and sewer revenue bonds.

Trustee Charles Hostert was in charge of Saturday's program. Other members of the board are Willard Munch, Henry Shevlin, Phil Hacker, Ray Westlund and Stanley Williams.

Herd Name "Kohlacres"

John L. Chesnut and Herbert Kohl, Mokena and Matteson, have been given the exclusive use of the name "Kohlacres" as a herd name in registering purebred Holstein-Friesian cattle.

This prefix name is granted and will be recorded by The Holstein-Friesian Association of America. It will be used in naming all animals bred by the Kohls.

LINCOLN WAY PLAYERS PRESENT PLAY NOV. 13 14

The Lincoln-Way Community Players held their second meeting of the season at the high school, Tuesday evening, Oct. 6. The group, composed of people interested in little theater from Mokena, Frankfort, Lincoln Estates, New Lenox, and Manhattan, welcomed several new members. After the

JACK POWELL

reading of the minutes by secretary Paul Thomas and the report of treasurer Virginia Sherwood, president Lewis Loebe gave a report on the progress of the new play, "See How They Run" by Philip King, to be presented Nov. 13th and 14th at the high school auditorium.

Jay Bissell of Lincoln Estates was appointed ticket chairman, Patricia Marcoux and Margaret Lenz of Mokena, publicity, Lee Robinson and Verne Newsome, Frankfort, scenery, Martha Lee and Martha Jo Doyle, properties, and Charles Saxon, New Lenox, printing of tickets and programs. After the business meeting, the entire group witnessed a performance of the hilarious first act of the new play which is being directed by Jack Powell of Joliet. Mrs.

Betty Morrison gave a beautiful reading of "Messer Marco Polo" by Don Byrne. Refreshments were served by Mrs. Harriet Bissell.

Jack Powell, director of the new play, is a member of the Joliet Footlighters, and has been active in little theatre groups for many years. He is originally from the east, having been born in Pennsylvania and grew up in New Jersey and New York. He became interested in dramatics at college. Later he became an active member of the Wilkes Barre Little Theatre, acting in "Stage Door", "On Borrowed Time", "Can't Take it with You", and "Blythe Spirit". After moving to North Carolina, he took up activities with the Wilmington, N. C. Theatre Group, the oldest of its kind in the country. Here, Mr. Powell won the best director award in 1955 for his production of "Auto De Fe" and "Portrait of a Mad-mma". He also acted in many plays, such as "I Remember Mama" for which he received best acting award, and "My Three Angels".

The new play "See How They Run" which he is directing for the Lincolnway group, is not new to Powell as he has directed and acted in it before. Since moving to Joliet, he has been very active in the Footlighters group. He directed their production of "Enchanted Cottage", "Night Must Fall", and "Teahouse of the August Moon". He acted the leading role in "Lo and Behold" and designed the scenery for the operetta "Mademoiselle Modiste". The Lincoln-Way Community players are delighted to have obtained the services of so distinguished a director.

The Illinois Baptist State Association, composed of messengers from Southern Baptist churches located in Illinois, will meet for its fifty-third annual convention with the First Baptist Church, Anna, Ill., on Oct. 21, 22 and 23.

Death Claims E.G. Oram Sr. New Lenox

Funeral services for Ernest G. Oram, Sr., 89, one of the leading citizens of New Lenox, were held yesterday afternoon at 2 o'clock from the Sonntag-Burgess-Wyllie chapel, Joliet, with the Rev. Alfred Hunter officiating. Interment was in Maplewood cemetery, New Lenox.

Mr. Oram, who was identified as a member of the New Lenox community for the past 71 years, had been ill only for the past three weeks. He died Monday, Oct. 19 at the home of his son, Ernest Jr.

Mr. Oram was born in England and would have been 90 years old had he lived until Nov. 15. He came to New Lenox in 1888, when he was 19 and had resided in the area since. Most of his working life was spent in farming. He also was quite active in Republican politics and served New Lenox township as highway commissioner for 21 years, retiring in 1935. He was a director of the New Lenox state bank and for the past two years was a vice president there. Mr. Oram also was treasurer of the New Lenox Mutual Fire Insurance Co. for 34 years but retired last year. He also was a member of the New Lenox Methodist church.

His wife, Lucy, a daughter, Mrs. Mabel Mooney and a son, Hubert preceded him in death. Besides his son, Ernest Jr., Mr. Oram is survived by another son, Albert, also of New Lenox; one daughter, Alice, Mrs. Melvin Hobbs of Manhattan; one sister, Mrs. Nellie Wason, of Waterloo, Iowa; nine grandchildren and 21 great grandchildren.

His wife, Lucy, a daughter, Mrs. Mabel Mooney and a son, Hubert preceded him in death. Besides his son, Ernest Jr., Mr. Oram is survived by another son, Albert, also of New Lenox; one daughter, Alice, Mrs. Melvin Hobbs of Manhattan; one sister, Mrs. Nellie Wason, of Waterloo, Iowa; nine grandchildren and 21 great grandchildren.

Southern Baptists

New Church Slated for Orland Park

A Baptist church, under the jurisdiction of the Chicago Southern Baptist Association, is to be established at Orland Park.

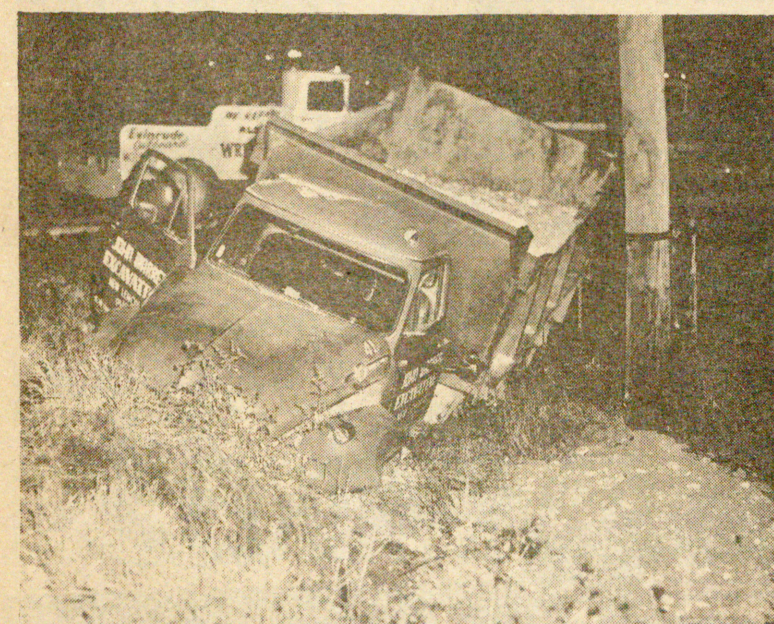

Initial services are scheduled for Nov. 8, the place to be announced later, it was announced by the Rev. William A. Powell, superintendent of missions of the Chicago Southern Baptist group, who will serve as temporary pastor of the Orland church. He is

a resident of Chicago. Until it is organized with full church status, the Orland body will function as a branch of the First Baptist church of Tinley Park, the sponsoring congregation. Final organization will take place within the next few months, it was said.

Pastor of the Tinley church is the Rev. A. D. Corder, who has been serving there since 1958. He also is chairman of the 30,000 committee of the Chicago Southern Baptist Association. This committee of the Chicago Southern Baptist Association is charged with responsibility of starting new churches in the Chicago area in cooperation with the efforts of the Southern Baptist Convention to start 30,000 new churches by 1964. The Southern Baptists are said to be the largest Baptist group in the U. S. and the largest of the denomination in Illinois.

The Orland church plans to have Sunday school at 9:45 and morning worship at 11 o'clock. Ansel Corder will be in charge of music and Mrs. Powell is to serve as the pianist. Miss Jackie Pate has been named as one of the Sunday school teachers and assistance also will be given by members of the Tinley congregation.

The Rev. Mr. Powell urges all persons interested in starting a Baptist church at Orland to attend the service Nov. 8.

DIGS DEEP--This truck took quite a bite of turf when its driver, John Warren, of the New Lenox excavating firm bearing his name, steered for the ditch to avoid collision with a Wabash freight train on the Francis road crossing, about midway between Cedar and Wolf roads. It is understood the brakes failed. The accident occurred shortly after 5 o'clock Friday afternoon. The truck was badly damaged and while Warren was shaken up he escaped injury. He was hauling gravel. (M. Smith photo)

DEDICATES SEWAGE TREATMENT PLANT--at Mokena. The plant was opened to public inspection after the dedication ceremony last Saturday afternoon Mayor James Marti (center) was the last of several speakers for the occasion. At the left is former mayor John Scarth, under whose administration plans

for the new Sanitary sewer system were begun. Standing next to Scarth is Fred Steinhagen whose numerous duties with the Village includes operating the treatment plant. The man looking toward you from the projected wall is Robert Hamilton who designed the system and plant. (Marvin Smith photo)

TRIO IN CHARGE--These women (l to r) Mrs. John Naughton, vice chairman, Mrs. Kenneth Schmutz, unit president and Mrs. Charles Moore, chairman of Ways and Means committee directed arrangements of the Annual Tinley Park PTA Fun Night last Friday night in Central school. Below are Mike Kochalka and Mrs. Louis Hager at a pitching pitch, set up to blend with the coming Halloween festival. (M. Smith photo)

Volunteers Attend Orientation Class At Tinley Hospital

The third session of the orientation class for volunteers at the Tinley Park State hospital is being held today, starting at 9 a.m. to 12:15 p.m.

Hospital ethics and rules will be explained by Mrs. Beryl Dougherty, R. N., assistant chief nurse. The activity therapy program will

be handled by Mrs. Estelle Benn, supervising therapist. Assignment and volunteer pledge will be given by Mrs. Alma G. Young, volunteer services supervisor. Receiving the reward of a volunteer will be the following: Mrs. Voris Miller, Mrs. Walter Eichel-

berg, and Mrs. Harry Douglas, all of Tinley Park; Mrs. Stanley Carlske, of Homewood; and Charles Andrews of Chicago.

More than 72 per cent of the world's molybdenum is mined at Climax, Colo.

According to the U.S. Bureau of Public Roads, 90 per cent of all passenger car and truck travel is performed within the state of residence.

TINLEY PARK Recreation Program Starts Next Week at Central School

For the second straight year the Village of Tinley Park is sponsoring a recreation program for high school students at the Central Public school. The program will start next week with registration of all interested students.

This year the girls will meet on Mondays from 6:30 to 9:30 p.m. and will be under the direction of William Kosteci. The boys will meet on Wednesday evenings at the same time and will be directed by Kenneth Webster.

Activities offered this year will be basketball, volleyball, wrestling, trampolining, tumbling, dodge ball, table tennis, badminton and gymnastic activities.

Any high school student in Tinley Park is eligible to participate in the program. All they need do is register this coming week, the girls on Monday, Oct. 26, and the boys on Wednesday, Oct. 28.

Members of the Teen 4H group were surprised by their leader Nicholas Schulten at a come as you are breakfast on Friday morning.

Mr. and Mrs. Hobart Smith motored to Columbus City, Ind. Sunday where they met their son, the Hobart Smith Jr. family for a birthday dinner honoring Ruth Smith.

Mrs. Minnie DeChant of New Lenox and Mr. and Mrs. Harry Puckewicz of Orland Park were Sunday guests with Mr. and Mrs. Charles Schara.

Mr. and Mrs. P. L. Jochum motored to Rockford Sunday and attended the Methodist church there of which Rev. Ralph Miller is pastor. They were guests of Miss Marjorie Little, whose acquaintance they made during the Youth Camp at Conference Point, Wis. this past August.

Mr. and Mrs. Fred Nitsche were guests of Mr. and Mrs. Charles Haberlin of Lowell, Ind. Sunday.

Celebrating his fourth birthday on Sunday, Scott Gerrie was host to neighborhood children. Birth day games were planned by Mrs. Gerrie and party refreshments were served.

Saturday guests with Mr. and Mrs. Dallas Webster were Mr. and Mrs. Henry Sattler of Toledo, O. Mrs. Rose Brown, recent surgical patient at Columbus hospital is slowly convalescing, and will be hospitalized for several more weeks.

Mr. and Mrs. Henry Nottel, Mr. and Mrs. Julius Osberg and Mrs. Harriet Wagner attended the Way-farer's meeting held in Mokena Saturday evening.

A birthday dinner for Mrs. John Swisher was given by her son and daughter in law, Mr. and Mrs. Dick Swisher Saturday night, Oct. 17. Members of the family, including the grandchildren were present, also Mr. and Mrs. Dallas Webster, Sr. The original place cards for the dinner table were made by Mrs. Swisher's 8 year old granddaughter, Janice.

Lincoln-Way Grad Wins Scholarship

George Ruhle, a graduate of the Lincoln-Way High school, has been awarded a teacher education scholarship, entitling him to enter teacher training at either of the five state-owned universities.

The announcement was made by George T. Wilkins, state superintendent of public instruction, who said the scholarship was made possible by a transfer of unused or partially used 1958 scholarships from quotas assigned to other counties.

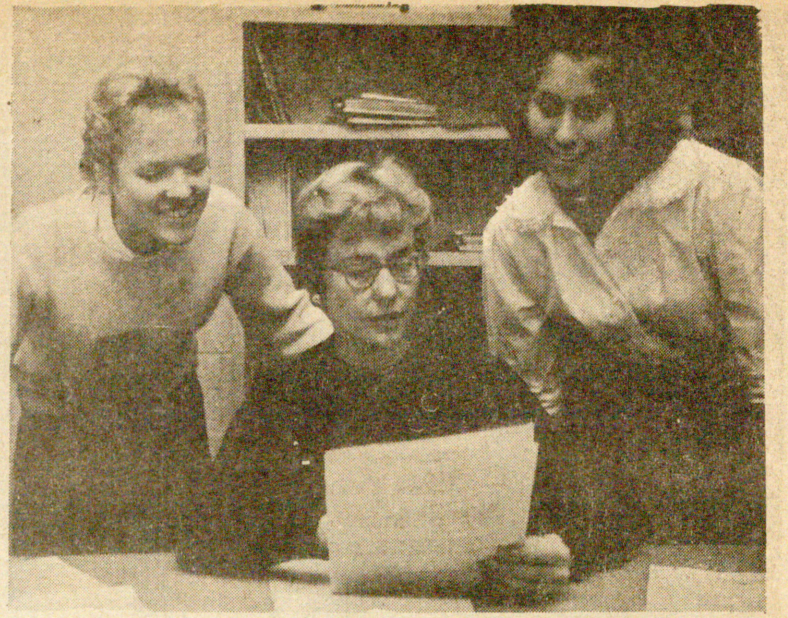

Besides Ruhle, another graduate of a Will county high school, Joyce Adams of Wilmington, also was awarded one of the scholarships.

A candidate for a scholarship must have graduated in the upper half of his class and is entitled to instruction, matriculation, graduation, tuition and activity fees in the teacher education program.

School principals certified the names of qualified candidates to Verne E. Crackel, Will County superintendent of schools.

The largest cotton plantation in the world is located at Wilson, Ark.

A recent survey by the Health News Institute showed that two-thirds of all prescriptions filled in the U.S. were priced at three dollars and under.

June Berlin (left), Mrs. Jane Sullivan, American Field Services representative at Lincoln-Way (center) with Geraldine Munch.

Two L-W Girls Hope to Spend Summer Abroad

Jane Berlin, and Geraldine Munch have been selected by the Lincoln-Way chapter of the American Field Services to enter the national competition for appointment to a foreign country for the summer.

Kay Gersich of Lincolnwood returned in September from a summer stay in Germany. She was the first Lincoln-Way student to gain such an honor.

Miss Berlin is a resident of New Lenox and the daughter of Mr. and Mrs. Lloyd Berlin. Mr. Berlin is the owner and operator of the Economy supermarket in New Lenox.

Miss Munch lives in Mokena and is the daughter of Mr. and Mrs. Willard Munch. Mr. Munch is an electrician and has an electrical business at Mokena.

Both of the girls have made consistent "B" averages at Lincoln-Way High school in their first two years. They are starting in the junior year at the present time.

No student was chosen for the entire year program, due to the small number slated to go abroad. Thus, by not selecting a year candidate, the committee hoped to send two for the summer program.

Earl Dieken, assistant principal of Lincoln-Way, reported that the committee had a very difficult time selecting the eventual candidates from seven applications. "All

of them were so well qualified," was Dieken's exact comment.

Ella Jensen, foreign exchange student at Lincoln-Way last year stayed at the home of Jane Berlin. Jane writes, "My desire to go abroad is very keen. Ella (Jensen), my Danish sister, has had a great influence on me wanting to see foreign countries."

Geri Munch as she is called by her school friends, feels, "Living with a family abroad would give me the opportunity I have always dreamed of to discover, for myself, the many things I have been told and the information I have read about the people of other nations. I know the American way of life and I know the freedom which we enjoy, but I would like to know just how free these other countries are."

Miss JoAnne Rizzuti, a sophomore at Millikin University, in Decatur, was recently initiated by Pi Beta Phi sorority. JoAnne is majoring in psychology.

Knights of Columbus, Fourth degree members and their wives and friends enjoyed a hay ride Saturday evening with conclusion at the Ray Feldner farm with a bonfire, Weiner roast, good music and plenty of fun.

Mississippi County in Arkansas grows more cotton than any other county in the U.S.

CLEARING THE DRIVER'S VIEW—Cleaning up overgrown corners which obstruct the view of motorists is one method used by Illinois Farm Bureau women in attempting to reduce the accident rate in rural areas. For this and other safety projects, the women have been awarded second place in the statewide category of the 1959 Carol Lane Awards for traf-

fic safety. At left, a committee inspects a hazardous corner. After the weeds and brush are cleared, vehicles can be clearly viewed. Nearly a thousand similar corners have been cleaned up by Farm Bureau people during the past two years.

Mokena

Wayfarers Hold Annual Potluck Dinner

The Mokena Wayfarers club held their annual pot-luck dinner in the Methodist church social rooms Saturday, Oct. 10.

The regular business meeting was followed by a social hour, spent in playing cards.

Mr. and Mrs. Harley Mann, former Mokena residents now living in Hot Springs, Ark., were present and welcomed by members. They were overnight guests of Mrs. Edward Brueser.

On Sept. 27, the Wayfarers drove to Lake Geneva to visit the Darrell Manharts, also former members. The group enjoyed the day at the farm.

Mr. and Mrs. Bernard Hoogstra attended the funeral of her uncle, John Vollman on Oct. 18, at Three Oaks, Mich.

Mrs. Elizabeth Cappel, principal of Mokena Public schools and teachers, Mrs. Evans Drotts, Mrs. Gene Clarke, and Mrs. Peter Hommerding, attended the wedding of

the former Mary Cele Burke, teacher in the Mokena school, and Mr. John D. Uedelhofen, which was held in the Cathedral of St. Raymond Nonnatus in Joliet, Saturday morning. Mrs. Vernon Lankenau is substituting as teacher while the young couple are on their honeymoon.

Mrs. Ruth Schneider is a patient in St. Joseph hospital, Joliet.

Mr. and Mrs. Oliver Schafer returned last week from a 10-day motor trip to Vermont and other New England states. Many tourists from all over the country and other countries tour this section to view the beauty of the fall foliage of the hard maples, hemlocks and pines.

Mrs. Frank Engelbrechtsen, 203rd st., is staying with her son John and family in Chicago since her return from Illinois Research hospital.

Mr. Walter Edwards and Miss

Homer

CROP Pick-up Days Set For Nov. 16-17

By Elizabeth Anderson
Sunday, Nov. 15, will be CROP day throughout Will county, and the following Monday and Tuesday, the 16th and 17th, are designated as collection days when corn will be gathered from farmers to relieve the food shortage in overseas countries. James Tilley is the chairman for this area. The aim is to collect three carloads from this county.

The next meeting of the Missionary Society of Homer Church will be Thursday, Oct. 29, at 1 o'clock. Mrs. John Hollister and Mrs. James Elvig will be the hostesses. Reports of the bazaar and supper will be given. Mrs. Robert

Caroline Swartz were united in marriage Saturday Oct. 17, in St. John's church. Attendants were Mrs. Robert Hommerding and George Swartz. Miss Swartz has been making her home with her grandmother, Mrs. Rufus Stanfield of Sunny Acres. The newlyweds will live in Brightwood.

Burch will be in charge of the devotional program.

Rev. and Mrs. Elvig, Mrs. F. J. Paddock, and Mrs. Ira Anderson attended the fall meeting of Central Association of Congregational Churches at Brazil, Ind., Saturday. The Homer School club met Thursday evening at 33-C School. The president, Mrs. Laverne Bond, presided. Mrs. Louis Greenwalt, chairman of Ways and Means, presented a schedule of activities for the coming year, which was approved by the group. There was a discussion of field trips for the children. The room mothers of 7th and 8th grades acted as hostesses. The next meeting will be Nov. 19.

The Will county convention of King's Daughters will be held at the First Presbyterian Church of Wilmington, Oct. 29, beginning with a 12:30 luncheon for which reservations must be made by Oct. 26. It is hoped that a delegation from the Wayside Workers Circle can go.

Several local people attended the New Lenox Gymkhana last Sunday. Bill Mohny, Billy Greenwalt, Gregg and Jay Carlson were among the ribbon winners.

Earl Burnworth, who is on vacation this week, spent a few days pleasant hunting in North Dakota. Mrs. Harvey Ingersoll was ab-

sent from her teacher's duties at 33-C Thursday to attend the funeral of Mrs. John Miller of Lockport. Mrs. Ray Carlson substituted for her.

Rev. and Mrs. Theodore Anderson of Wisconsin were guests of the James Elvigs Friday. They are former schoolmates.

Miss Iris Filipowicz is employed at Moody Bible Institute, Chicago.

Randall Storm, who has been in Silver Cross hospital for the past week, returned to his home Thursday, somewhat improved.

Mr. and Mrs. Jerome Paddock left Monday for a business trip to New York City. They are traveling by plane.

Mr. and Mrs. Albert Fox, Bruce Rd., are the parents of a daughter, born Oct. 1 at Silver Cross Hospital.

Mrs. Louis Giroux and baby son, Glenn George, have returned to their home near Hadley Rd. from a Chicago hospital, where the boy was born, Oct. 5.

Mr. and Mrs. Stanley Zdzinski and three children are nicely settled in their new home on Hadley Rd. which they recently purchased from the J. Hoogstras.

Light refreshments and a social hour are being planned to follow the Concert which will be held at Homer Church Sunday evening, Oct. 25, at 8 o'clock.

Mr. and Mrs. John Hoopingartner of Berrien Springs, Mich., were last weekend guests in the home of their granddaughter, Mrs. W. B. Champoux and family on Gougar Rd.

Mrs. George Burcham acted as hostess at the Ludwig School PTA meeting last Wednesday evening. She was assisted by Mrs. Chester Filipowicz and several Lockport members.

BRAVES-EAGLES FACE BIG TESTS

Pick Eagles over Oak Lawn

Rich-Bremen Battle Saturday

Carl Sandburg's Eagles should find themselves at the top of the SWS Conference heap with the Rich Rockets come next Monday morning.

Bremen's Braves hope to be in the spot so long held by the Rich boys from Park Forest in first.

This is the rigid test for both the Braves and the Eagles for that top spot. Both of them could wind up in first place with victories over the week-end. A Braves victory would just about knock the Rocket out of the title sky.

The only problem in Bremen's drive toward a victory over the Rich team is the leaky pass defense that has shown itself when the opposition chooses to pass.

Last week it was demonstrated again, when Reavis realized that the Bremen line was too strong, that passing is the way to score on the Redmen from Midlothian.

Rich Norbut gets stronger each week. He is a hard runner, but has a tendency to save his speed until he is in the open. Rich is

extremely fast. Usually, it takes gang tackling to get him.

The Braves will be up and fighting for the game at Park Forest. Bremen has proved thus far that it can run against about any team in the circuit. Can it run far enough--against Rich!

Rich has a quarterback by the name of Zadek. He is, no doubt, the best passer in the Conference. He has consistently shown the class of field generalship and the best in passing thru this season.

Zadek's receivers have the easier time of any in the league. For a high school footballer, he has shown extraordinary ability to get the ball just where it should be on the pass play.

That is the big reason that Rich must be made the favorite. Can you really count out the Redmen on a couple of bad performances on pass defense? Larry Callan and aids will be working feverishly on this problem this coming week. The results will show Saturday!

How well Bremen can can de-

fense the Rich passing will influence the outcome of the game.

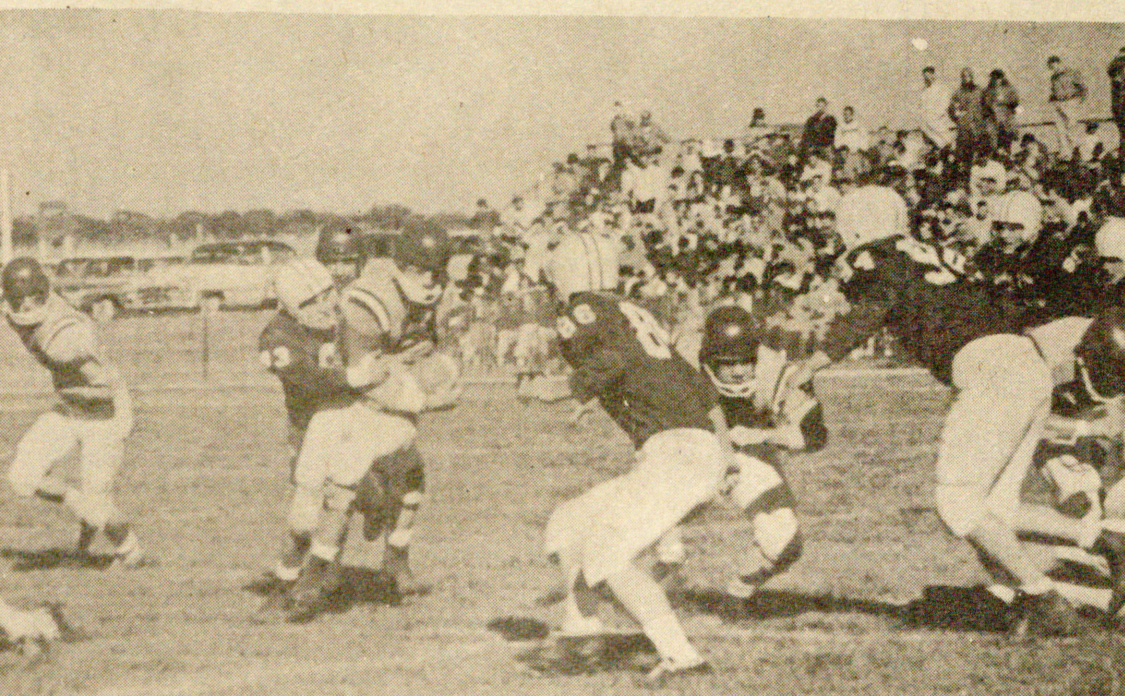

"Corkey" Hughes, is still troubled with injuries and the Rockets have not found any other fellow who can fill the shoes of Hughes. It does not appear that Hughes will be at full strength for the Bremen game.

Wow! This should be a great game. The SWS has given some real thrills and chills and Saturday should develop another spine-tingler.

Bremen could very well upset, but Rich's recovery after the stunning loss to Lincoln-Way with a consistent winning streak would indicate another Rich victory.

This will be a struggle to see! Actually, you can throw the book out the window and go to see a fine ball game.

Oak Lawn has been some sort of a cinderella team in the SWS this year. They began the season on a sour note of losing two straight contests and then they came to

HALFBACK DAN WASSICK (68) of Carl Sandburg is trying to squirm away from a Homewood-Flossmoor tackler at Orland Park last Saturday afternoon. Sophomore Wassick spear head the Eagles attack on H-F. HOMEWOOD-FLOSSMOOR finds the going tough around the Carl Sandburg end. Time and again, the Vulcans tried to turn the end, but Sandburg managed to cut down the blockers and get the ball carrier. Here the ball carrier seems to have plenty of protection, but no. 66 of the Eagles got the runner.

Bremen and turned on the power to romp the Redmen.

This shocked the SWS awake to the fact that the Spartans were far from dead and new coach Fred Parks was probably a fine addition to the coaching ranks of the SWS.

Oak Lawn has taken two straight since the Bremen win and have beaten Lincoln-Way worse than Carl Sandburg or Bremen could. In fact, they were the first team

schools--it is a real toss-up as to what game you would attend Saturday, Rich-Bremen or Sandburg-Oak Lawn.

Joe Devine's crew was up-and-at'em last week. They ripped Homewood-Flossmoor to the tune of six td's.

Oak Lawn is now getting plenty of help from a "kid" name McHenry. He missed athletics at Oak Lawn last year due to a broken arm. Last week, along with Tom Byrne, he was a bit too much for the Lincoln-Way Knights.

Sandburg beat L-Way, 6-0, in a grueling battle two weeks ago. It was played in the mud. So, if scores are any indication it would seem that Oak Lawn, at least at this time, is strong.

But the comparative scores on Homewood-Flossmoor show Sandburg the heavy favorite, by a couple of touchdowns.

In a good tough conference, as the SWS has turned out to be, these scores become meaningless. Actually, the team that is up for this contest might well take it home.

Sandburg will not and should not feel this is another win--nor should the Spartans.

Joe Devine has a great team at Orland Park, but the Eagles are a group that has some definite problems on defense. Minor, but bad enough to cause trouble against an alert team.

Sophomore, Dan Wassick, had a fine game against Homewood-Flossmoor, but how the youngsters will do against a better and tougher line is a question.

Dan was a strong runner in the Eagles ground attack on Saturday. Of course, if Jeffries is at full strength for the game and shows the same spark he did against Reavis the Eagles will be away.

There are too many "it's" to pick a distinct favorite in this contest.

Expect Lincoln-Way Eleven Back on Victory Trail Again

Observers Pick Knights to Tap Vulcans Saturday

Lincoln-Way, whose lot it has been to suffer heart-breaking losses, should get back onto the victory trail when they meet Homewood-Flossmoor at New Lenox on Saturday afternoon at 2 pm.

Coach Jonas Lashmet has come up with an early season not to highly regarded eleven to challenge every top team in the circuit. The Knights lost to Bremen, 13-6, Carl Sandburg, 6-0, and Oak Lawn 19-7. In addition they inflicted the only loss of the season on Rich, 20-13.

Lashmet has done a fine job with limited resources and his team has yet to be roundly trounced as everyone predicted would happen to them at the season's beginning.

A few injuries to key players probably cost the Knights at least an even split in the Conference efforts thus far.

Homewood-Flossmoor, newen try in the SWS, has found the competition rather difficult. The Vulcans have been winless in its first four starts. H-F will be pointing to pull an upset for the first win of the season.

However, Lincoln-Way should be a little too much for the Vulcans from the East.

Healthy Jerry Haehnlein and Howie Mann, with good quarterbacking from "Skip" Kruzich, should mean defeat for H-F. The Lincoln-Way line has proved itself adequate as Oak Lawn was the first team to score more than twice on them in one contest.

Bill Seavertson, Ed Smith and company should be a bit to strong for the Homewood line. The H-F line is not small, but it is plenty slow in starting and still seems to lack some fundamentals of line-play.

If Lashmet has his line up and ready for the contest Lincoln-Way could win by two touchdowns.

H-F must not be regarded too lightly. They have shown plenty of class in the last couple of ball games. Oak Lawn, who beat the Knights, 19-7, had its troubles in taking H-F by a 14-6 score.

Sandburg got the Vulcans on the run last week and never let them up, but the first half was a good battle with the Eagles owning just a touchdown lead at the end of the first half.

If the Knights are going to finish with a .500 season, something that Lashmet predicted with tongue in cheek, they must start to make the move against H-F.

The L-W record is two wins and three losses to date. A win over H-F would even the season's tally at three and three.

Browsing Through The Cold Stove League

By DEAN DALLAS
Semmler Press Sports Editor

Saturday that is last, seemed to crystalize the SW Suburban Conference race into about a three-team race, Bremen, Carl Sandburg and Rich. Bremen remained in the thick of the SWS race when they beat Reavis in a blood-tingling finish. The Braves John Mannaioni lofted a long pass which Rich Norbut gathered in on the goal line for the score in the last 12 seconds of the game.

The Braves started very strong, but a brilliant 80-yard dash by Bob LeMonier of Reavis and then a pass play, something that Bremen seemed unable to defend against, went for another Rams score, and the Braves behind, 19-14.

Rich Norbut looked plenty good in the Braves triumph. He gained most of Braves yardage on the ground. In addition he proved to be a good target for Mannaioni passes.

This moved Rich into the top scoring position in the SWS. He scored four touchdowns at Evergreen Park a week ago and then he added a pair to his total last Friday at Midlothian.

Larry Callan has certainly done something with a previous leaky line. Callan had some trouble in the first game or two, which culminated in the trouncing by Oak Lawn, 38-0.

Since that time the Braves goal line has only been crossed at one time on a running play, that was LeMonier's 80-yd. punt return. This line is now plenty stiff.

However, the pass defense of the Braves was not too good on Friday. In fact, Reavis forgot the running play and took to the air to score two of its three 6-pointers. Bremen will have to patch this big gap when they meet the Rich Rocket.

Carl Sandburg continued to show the power that marks them as a title contender in the SWS. Joe Devine used his vets and youngsters to good advantage as they romped over Homewood-Flossmoor in the Eagles Homecoming, 38-6. It marked the second time this season that Sandburg has scored six touchdowns in one ball game.

At the Homecoming the Eagles used the new athletic field for the first time, which included an electric scoreboard. The new field is a fine addition to the athletic equipment of the SW Suburban Conference. The turf was in wonderful shape.

The powerful Eagles had their hands full in the first half, but in a patented second half finish, which they are doing more and more, they rolled on to a convincing victory.

Devine's attack was different than in recent weeks. Only one of the touchdowns was a result of a pass--that was the last score of the game on an aerial from Jerry McBride to Buddy Swayne.

The Eagles did all of this with Jim Jeffries at half strength. Randy Cernak, burly fullback, was especially explosive in the second half surge by the Sandburg team. Dick Berry, defensive full back pulled off a sturdy 40-yard, plus jaunt.

Oak Lawn should find the going plenty rough on the Sandburg green.

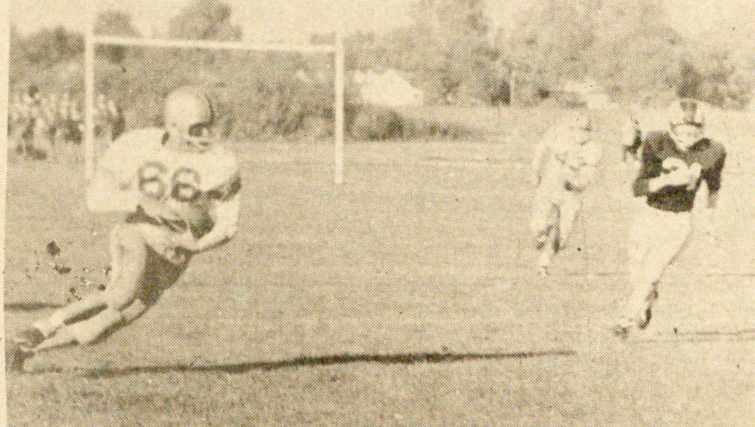

Lincoln-Way's Knights dropped a third encounter in the SWS Conference battle. The Knights, slightly favored, were beaten by Oak Lawn 19-7. However, injuries to the small squad are beginning to take a toll on the Lincoln-Way strength.

As was suggested--if Lashmet's boys can escape injuries they will have to be contended with.

The problem of injuries is paramount to a squad which started with 23 players and is already down below the 20 mark. That is with full strength men. These lads who are whole are forced to play the 48-minute contest and thus the danger of injury rises.

Oak Lawn was tough, and quarterback Tom Byrne is rapidly developing into one of the good quarterbacks on the SWS. Byrne was a sturdy fellow that needed polish. He has it.

Lincoln-Way should find itself on Saturday on the home field and take the Vulcans.

RICH NORBUT (66), leading scorer in the SW Suburban Conference, finds plenty of daylight in the Reavis line. Rich scored two touchdowns in the Bremen, 21-19, victory over Reavis last Friday at Midlothian. Here he gets ready to turn on the speed.

COMPLETES COURSE--in individual combat training at Camp Pendleton, Calif. The young man is Pvt. Anthony A. Dina Jr., son of Mr. and Mrs. Anthony Dina, 138 Front st., Mokena. The course includes the latest infantry tactics, first aid, demolitions, field fortifications and advanced schooling on weapons. Marines, it was pointed out, are basically infantrymen, whether they serve as cooks, typists, truck drivers, aviation or on shipboard.

Kansas City, Mo., combines with Kansas City, Kan.; North Kansas City, Mo.; and Independence, Mo.; to make up what is known as Greater Kansas City, with a total population of 720,000.

CHRISTMAS IS NOT FAR OFF--especially if you plan to make some of the gifts. Pictured here is a tree skirt that not only serves as a decoration but also protects the carpet from evergreen fallout. It is easily made and is another of the many uses to which cotton feed and flour bags may be put. Persons who live on farms may have a supply of such bags--they come in white or in prints--and range from five to 100-lb. sizes. Urban dwellers may usually obtain these bags from textile shops or feed dealers. The small bags are handy for toys, potholders, doll clothes and novelties.

To prepare for sewing one unravels the chain-stitched seams, soak out the brand names with warm, soapy water, then dry and press. To make the tree skirt

one needs two 50-lb. flour sacks (each measuring about 30 by 34 in.), red, white and green rickrack, red bias binding and small remnants of green, red and gold fabric.

Turn the raw edges and stitch a narrow hem. Join two of the 34" sides of each sack and stitch halfway forming a 17" seam. The slit opening that remains enables one to wrap the skirt around the tree. Stitch a border of red rickrack around the outside edges. Cut out six trees and stars, and eight bells from your fabric remnants. Applique to skirt as shown in picture. Sew on sequin or fabric tree "decorations". Make bell ropes of bias binding; candy canes of interlocked red and green rickrack. Stitch to tree skirt or vary the trim on the skirt to suit your fancy.

She named the following committees:

LEGAL NOTICE

ADVERTISEMENT FOR BIDS FOR ADDITIONS & ALTERATIONS TO KIRBY McINTOSH SCHOOL, DISTRICT NO. 140 173RD STREET & OZARK AVENUE, TINLEY PARK, ILLINOIS

The Board of Education, District No. 140, Tinley Park, Illinois, will receive sealed bids for the construction of Additions & Alterations to Kirby McIntosh School until 8:00 P.M., Central Daylight Saving Time, on the 26th of October, 1959, at the Board Office, 173rd Street & Ozark Avenue, Tinley Park, Illinois. Bids will be publicly opened and read aloud at that time.

The work included in the general contract will contain the following: (1) General Work, (2) Plumbing, Heating and Ventilating, (3) Electric Wiring. The successful bidder will be required to furnish a satisfactory completion bond.

The Contract Documents, including plans and specifications, are on file at the office of Smith & Millin, Architects, 106 Elm Street, Barrington, Illinois.

Copies of the documents may be obtained by depositing \$25.00 with the Architects for each set of documents on or after the 12th of October, 1959. The amount of the deposit for one set of documents will be refunded to each actual bidder who returns the plans and specifications in good condition within 10 days after the opening of bids.

The Board of Education, District No. 140, reserves the right to reject any or all bids and to waive any informalities in bidding.

A satisfactory bid bond executed by the Bidder and a surety company in an amount equal to ten per cent (10%) of the bid shall be submitted with each bid payable to the Board of Education, District No. 140, Tinley Park, Illinois.

No bid may be withdrawn after the scheduled closing time for receipt of bids, for at least thirty (30) days.

Day Camp: Beverly Torok, Chm., Cora Lee Krapf, Diane Rab.
Mrs. Clinton Mark and Mr. Earl Christensen were named "Mother and Father" for the coming year.

The leader, led a discussion of the food stand for the horse show. The club tour will be Oct. 26. The girls will leave from Earl Christensen's at 8:15. Each girl is asked to bring a sack lunch. On Oct. 26 members will honor Mrs. Joyce Scheer Hecht and Mrs. Francis Kurima Alakawa at a bridal shower at the town hall.

The program for the afternoon included a "Fire Bug Skit", a talk on household hazards by Joyce Heisner and Jeanette Sangmeister, a song, "Starkey, the Fire Dog" led by Kathy Fehland, and a skit "Fire Times." Sandra Nagel read the signature, "The National 4-H Prayer."

NEW LENOX MAIL

Homes Still Lack Numbers, Says Postmaster

A recent inspection of homes along Mounted Route No. 1, at New Lenox, which covers the outlying portions of that village, reveals a lack of house numbers that are visible from the street, it was announced by Postmaster L. E. Brown.

Postal regulations require that house numbers be placed on both

houses and curbside mail boxes if such residents are to be eligible for home delivery service, the postmaster said.

"House numbers are a distinct aid to all delivery people serving you," said Postmaster Brown. "Every day we have inquiries from delivery firms asking if we can locate Mr. So-and-so's house. We

have a parcel for him and can't find his house."

"If you are one of those individuals who have failed to put up house numbers, please do so at once."

The postmaster also called attention to the fact that mailing time for parcel post Christmas packages destined for overseas delivery is fast approaching. Yule boxes for veterans overseas should be mailed between Nov. 1 and Nov. 20, Brown said, and advises families of servicemen to do their Christmas shopping early.

Use unsalted or lightly salted crackers as go-alongs when serving roquefort cheese, plain or in spreads.

Bread can be stored in your freezer for two or three months without losing any of its freshness.

Holds Annual Round-Up

The little cowboys and girls at Orchard Hill Farm kindergarten, located near Tinley Park celebrated their annual Fall Round-Up Day, Wednesday, Oct. 21. Parents were invited to a hay-ride-picnic in the colorful forest preserve. While the children, learned about saddles and bridles they rode the pony, Patches, and fed grass and corn to Ginger and Amigo, the horses. All saw Honey, Belinda's week-old calf. Mothers and dads are included in the kindergarten activities every month. A Halloween party with costumes is planned.

Colored documentary films and stories have helped the students learn about Indian and cowboy life. Also a trip to the Museum of Natural History enabled a better understanding of life and way of Pueblo and Plains Indians. Pupils are examining stuffed birds on loan from the Museum to learn the native ones they see on the farm.

Creative Orchard Hill Farm is in its 14th year and is conducted by Mrs. Leslie Johnson.

NEW CHIEF—new car, and as one can plainly see it all happened in Country Club Hills. The Chief is John W. Marts, appointed only last week by the Mayor, James A. Nally (right), shown here handing the keys of the car over to the chief, approved unanimously by the council. (Marvin Smith photo)

Editorial

United States Day

The Daughters of the American Revolution, of which there are several chapters in the area, have always been staunchly patriotic and are first, last and always for the United States and its constitutional form of government.

In keeping with their principles the DAR defense committee is now urging all loyal citizens to observe United States day tomorrow, Oct. 23, by displaying the flag of the United States.

United Nations day, fostered by the one-worlders is scheduled for Oct. 24, and its supporters urge Americans to display the UN flag.

We go along with the DAR, which points out that the United States is the only nation, and its banner the only flag to which we owe allegiance.

We owe no allegiance to the United Nations--that's for sure, although there are too many people who think we do and would put other countries interests ahead of ours.

United States day is a time when everyone should rejoice they are protected in their right to life, liberty

and the pursuit of happiness and remember the tragic end of every nation that has adopted some form of statism.

There is a growing trend toward socialism in the United States, fostered by out enemies who rely on the fact that too many Americans are uninformed as to the nature of our foes and their deceitful strategy.

The DAR urges every American citizen renew his pledge of loyalty by thoughtfully repeating the American's Creed by William Tyler Page:

"I believe in the United States of America as a government of the people, by the people, for the people; whose just powers are derived from the consent of the governed; a democracy in a republic; a sovereign Nation of many sovereign States; a perfect Union, one and inseparable; established upon those principles of freedom, equality, justice, and humanity for which American patriots sacrificed their lives and fortunes.

I therefore believe it is my duty to my country to live it; to support its Constitution; to obey its laws; to respect its flag and to defend it against all enemies."

So. Baptists Meet In Convention

The Illinois Baptist State Association, composed of messengers from Southern Baptist churches located in Illinois, will meet for its fifty-third annual convention with the First Baptist Church, Anna, Ill., on Oct. 21, 22 and 23.

Dr. A. E. Brown of the First Baptist Church, Vandalia, president of the convention, will preside over all the sessions. Editor, L. H. Moore of The Illinois Baptist is the recording secretary. Dr. Noel M. Taylor, executive secretary of the State Association, will present the report of the denomination's activities during the past year. Dr. Jesse Northcutt, professor of preaching at the Southwestern Baptist Theological Seminary, Fort Worth, Texas, will be the convention preacher.

The state association was formed in 1907, when messengers from 226 churches with some 22,000 members, met in Pinckneyville. This year's statistics indicate that the denomination now has 789 churches in the state with a membership of 147,104. Baptisms for the year total 7,819 with a record breaking \$7,000,000 given for all purposes of which \$1,108,748 was allocated to missions.

Since 1956, Illinois churches have issued three and a half million dollars in Broadway bonds for the construction of new buildings. More than 200 new churches have been constituted since 1950.

One of the more recent projects of the denomination has been a joint program with the Home Mission Board of the Southern Baptist Convention known as 'operation Big Cities'. Under this program more than a quarter of a million dollars has been invested in the past two years in the establishing of new churches in the Chicago area. On May 10, 1959, twenty of these new churches held an unprecedented simultaneous dedicatory service for their new properties.

This year's convention will act on a proposed \$495,485 state missions budget and hear the report of a Long Range Planning Committee charged with the planning of a 25 year program of progress.

Attending the meeting from this area will be Rev. A. D. Corder, pastor of the Tinley Park Baptist church together with lay members from the church. Approximately 1500 messengers and visitors are expected to be in attendance.

Applications Being Taken For School Of Practical Nursing

Oak Forest Hospital School of Practical Nursing opened Sept. 21 with 23 students selected from 274 applicants for the one year State approved course.

Candidates should apply in their own handwriting to Mrs. I. E. Bernoudy, R. N., Administrator of Nursing Services, Oak Forest hospital, 159th and Cicero, Oak Forest, Ill.

Processing of applicants requires two months to complete the necessary screening of credentials, examinations and personal qualifications.

While the majority of clinical experience is available at Oak Forest hospital, obstetrical and pediatric training will be obtained in private hospitals in the area.

The course begins with 16 weeks of classroom work devoted to basic practical nursing. After the fourth week the Oak Forest hospital practical nursing students will be oriented in the clinical ward areas. Thirty four weeks of solid clinical experience follows. During this time the student practical nurse receives \$5.50 per day, for a five day week.

Upon completion of the course and graduation from the Oak Forest Hospital School of Practical Nursing she will become a candidate for the State Board Examination; and upon successful passage will be issued her certificate as a Licensed Practical Nurse.

ODDS AND ENDS

If a year starts on Sunday, it will have 53 Sundays.

Few species of song birds will sing while on the ground.

No scientist believes that the handling of toads or frogs will cause warts.

After World War II, Emperor Hirohito of Japan disclaimed that he is divine.

North Carolina grows almost twice as much tobacco as any other state; with Kentucky in second place.

The Philippine Islands were named for King Philip II of Spain by an expedition of colonists from Mexico.

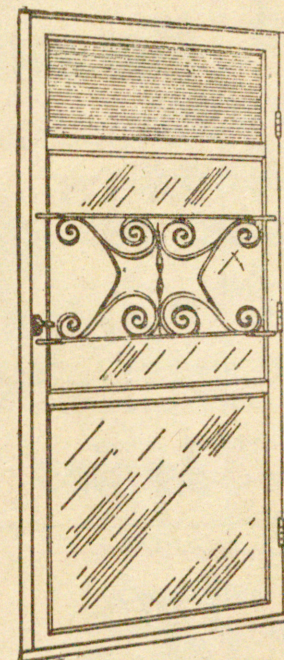

"About the only thing you're sure to get just by asking for it is trouble."—Carl Ellistam.

Tinley Park Groom and Bride Are Honeymooning in Mexico

The marriage of Lawrence A. Peterson, son of Mrs. Louise Peterson, 6840 W. 171st st., and the former Miss Elizabeth T. Perino, daughter of Mr. and Mrs. Dominick Perino, of Whipple st., Chicago, was solemnized in Our Lady of Sorrow Basilica church, Chicago on Saturday, Oct. 17. The pastor, Rev. Mark M. Donnelly, performed the double ring ceremony.

Escorted to the altar by her father, the bride wore a gown of white chantilly lace, trimmed with multi-colored sequins and pearls, with chapel train and sabrina neckline. The prayer book she carried was covered with lace and satin and was centered with two white orchids.

The maid of honor, Kathleen Valente, niece of the bride, wore a dusty rose gown and tiara. Her shoes had brown and yellow pom-poms.

The bridesmaids, Camille Matlock and Helen Moertl, wore aqua colored gowns with wide hemlines and three-quarter length sleeves. They wore tiaras, trimmed

with blue pearls and sequins.

The groom's best man was James Peterson. Ushers were Jack Graf and Frank Mott.

For the wedding ceremony, the bride's mother wore a pink lace dress with matching jacket, trimmed with pearls and black accessories. At the evening reception she wore a gray lace dress over pink satin, trimmed with gray satin in circular strips on the skirt.

The groom's mother wore a light blue brocade dress at the ceremony and at the evening reception wore a deep blue lace gown.

The reception for 250 persons was held at the West Lane club, 53rd and Kedzie ave., Chicago, where a family style dinner was served and the traditional wedding cake.

The young couple left by plane for Mexico. When they return in two weeks from the wedding trip they will make their home at 6840 W. 171st st., Tinley Park.

The bride has been employed with the Internal Revenue department in Chicago. The groom is a chemist with Pure Oil co.

Patricia Ann Boyer and Raymond Bisping are Wed

Miss Patricia Ann Boyer, daughter of Mr. and Mrs. Joseph Alaimo, 813 Elizabeth st., Joliet, and Raymond Wayne Bisping, son of Mr. and Mrs. Wayne Bisping, 1215 Gordon street, New Lenox, were married Saturday, Oct. 3 in the Fox River Presbyterian church at Geneva. Rev. Kenneth McLandless, pastor of the church performed the single ring ceremony.

Miss Barbara VanMeter of Joliet and Joseph Wolf of Aurora were the attendants. The bride was attired in a white wool dress with black accessories, and wore a corsage of red roses, while Miss VanMeter wore a baby blue knit dress, with black accessories and wore a corsage of pink carnations.

The newlyweds are at home to their friends now at 305 N. Broadway, Joliet.

On Sunday, Oct. 11, more than 75 guests attended a reception in honor of the newlyweds, at the home of his parents, from 2 until 5 p.m.

A three tiered wedding cake and bouquets of fall flowers decorated the white linen covered table. Mrs. Edna Van Meter cut the cake, Miss Darlene Fredericks, presided at the punch bowl, Miss Evelyn Van Meter at the coffee urns and Miss Dorothy Schulte had charge of the guest book.

A wedding shower, given by her friends, was held for the new Mrs. Bisping on Sunday.

VFW Auxiliary Entertains Vets At Kankakee

Mrs. Helen Murphy, hospital chairman, assisted by Mrs. Mathilda Stankus, Mrs. Elsie Gennens and Mrs. Mary Razaboduski, members of the Wm. Martin Veterans of Foreign Wars Post 725 Auxiliary, entertained for 150 veterans at Kankakee State hospital recently. Games were played and re-

Elect Staff At Welcome Wagon Club

The Southwest Suburban Welcome Wagon club elected officers at a meeting held Oct. 5, at the Community Center Foundation, as follows: Valjean Raab, president; Esther Johnson, vice president in charge of programs; Pat Olson, vice president for membership; Elaine George, recording secretary; Pat Wilkinson, corresponding secretary; and Dorothy DeKoker, treasurer.

Robert Haines of Minnesota Mining and Manufacturing Co., gave a ribbon demonstration of gift wrapping. The many lovely ribbons were later auctioned, the proceeds to be added to the club treasury. Entertainment was provided by the Sweet Adelines, followed by refreshments.

The next meeting will be held on Nov. 2, at the Episcopal Transfiguration church, 12219 86th ave., Palos Park.

Confucius lived from 551-479 B.C.

Thomas Hooker moved from the Massachusetts Bay Colony in 1636 to found Hartford, Conn.

Refreshments served to the vets, Mrs. Sadie Cooke, district hospital chairman, thanked the ladies for their splendid cooperation and expressed the hope they would be able to help with the Christmas party at the hospital.

The club's regular card party will be held Saturday, Oct. 24, in the VFW hall. Refreshments will be served by the following committee: Mrs. Jean Hurd, chairman; Mrs. Josephine Riser and Mrs. Marion Potter. Games start at 8 p.m. and the public is cordially invited.

RETIRING AFTER 41 years with the Illinois Department of Public Health, Mrs. Pearl Conway, R. N., third from the left, was honored at a banquet held in Jardine's restaurant, Tinley Park, on Oct. 14. She began her nursing career in 1917 and in 1918 entered state service. She has

been serving at the Tinley Park State hospital since it opened. Other nurses recognized at the dinner are pictured left to right: Fern Potter R. N., Beryl Daugherty, asst. chief nurse; and Florence Newell, R. N., chief of nursing service. (Marvin Smith photo)

3rd District IFWC Meets On Oct. 30

The Fall meeting of Third District Illinois Federation of Women's clubs will be held at Hamilton Park Fieldhouse, 72nd and Normal blvd., Chicago, Friday, Oct. 30, at 10:15 a.m. The Englewood and Hamilton Park Woman's clubs will be hostesses.

Mrs. George V. Malmgren, treasurer of the board of managers of the Occupational Therapy shop at Oak Forest, will be one of the guest speakers. She will give information about the shop's activities.

Members of the Orland Park Woman's club planning to attend the District meeting, should contact Mrs. Karl Ekberg to make reservations for luncheon before Oct. 20.

WINS PROMOTION

Harold "Bud" Braasch Orland Park, was elected assistant treasurer and named general accounting manager of the Club Aluminum Products Co., at the board of directors' meeting held Oct. 2, 1959.

Mr. Braasch had been associated with the company for the past nine years in various accounting positions. He was graduated from the Orland Community High School Class of 1946 and received his accounting degree from La Salle Extension University.

Garden Club Views Slides of Dahlias

Dahlias were featured at the Oct. 15 meeting of the Tinley Park Garden club, held in the home of Mrs. Floyd Klepper. Slides of dahlias were shown by Mrs. John Werth, of flowers from Baarna, Holland and some of the flowers were on hand, brought by a member.

Reports were given by chairman Mrs. John Swisher, on magazines for Oak Forest hospital and dolls for Christmas.

A letter from a former member who now lives in Ft. Lauderdale, Fla., Mrs. Florence Memhard, was read.

Two members who will aid at the Halloween party being sponsored by the Recreation Commission, are Mrs. Lillian Zawadzki and Mrs. Mae Panozzo.

Two attractive arrangements of flowers were displayed at the meeting, made by the club president, Mrs. Gervis Klepper.

Carbolic acid is made from coal tar.

Sidney Lanier, one of the most important of American poets, fought with the Confederates in the Civil War.

L-W Library Buys Material On Lincoln

Lincoln-Way high school library has begun an Abraham Lincoln collection.

The Lincoln-Way library collected over \$200 last year in overdue book fines from students. The Library club voted to use this amount and some from the regular budget to start a Lincoln Collection, since the school was named for Mr. Lincoln.

The six volume work by Carl Sandburg on Lincoln was purchased last year.

Recently, the library added the nine volumes of the complete writings of Lincoln. Other additions were: The Lincoln Encyclopedia; Abraham Lincoln; His Speeches and Writings by Baslar; and The Living by Angle and Miers.

Lincoln authority, Ralph Newman of the Chicago Lincoln Book Shop, will advise the Lincoln-Way library staff on finishing the collection.

Plans are underway to set this

collection off in the library. These will be completed when the new school addition is finished and a study hall room can be made into a stack room for the library.

Women Voters to Hear Officials of Local Government

Government operation in local communities will be outlined for members of the Provisional League of Women Voters of the Palos-Orland area, their husbands, and guests, at a meeting to be held at 8 p.m. Monday, Oct. 26, in the Episcopal Church of the Transfiguration, 12219 - 86th ave., Palos Park.

Invited speakers are, Z. Erol Smith Jr., mayor of Palos Heights; Edwin J. Barnes, mayor of Palos Park; Carlton H. Ihde, mayor of Palos Hills; Robert A. Montresor, president Hickory Hills; and W. R. Schussler Jr., president of the Village of Orland Park. Questions will be asked from the floor.

Central America includes Guatemala, British Honduras, El Salvador, Honduras, Nicaragua, Costa Rica and Panama.

BIG NIGHT FOR TEENS--at Frankfort last Saturday when Jim Lounsbury (center) a TV disk jockey served as master of ceremonies at a dance given in the grade school gym. He supplied the records and a man to turn them. The proceeds that remained went into a fund to pay expenses of the all-girl color guard, sponsored by the Bobzin-Swinford

American Legion post of Frankfort, to the national Legion convention at Miami next year. The color guard hopes to carry off first prize in the drill team competition. The Frankfort Legion post sponsored the dance. (Marvin Smith photo)

Turkey Supper and Bazaar To Be Sponsored by WSCS

By KATHARINE HEISNER
Frankfort 5187

A turkey supper and bazaar, sponsored by the WSCS of the Methodist church will be held Wednesday, Nov. 11 at the church parlors for the public. Serving will be at 5, 6 and 7 p.m., by ticket only. Deadline is Monday evening, Nov. 9 for tickets. For reservations call either one of the following: Mrs. Clyde Reils, Frankfort 4673; Miss Lois Bettenhausen Frankfort 3862 or Joliet 3-2265; Mrs. Wendell Morrison, Frankfort 4732; Mrs. Albert Bettenhausen, New Lenox 8207; Mrs. Cal Heath Jr., Frankfort 4534; Mrs. Katharine Heisner, Frankfort 5187.

Sunday, Oct. 25, the 92nd anniversary of St. Peter's church will be observed with a special service in the morning. An offering for the building fund will be taken.

This is also Harvest Festival Sunday and members are asked to donate commercial canned goods for the Peotone and Bensonville home for the aged.

Mr. and Mrs. Kenneth Waldvogel entertained supper guests last Friday evening in honor of their son Curtis, who celebrated his 7th birthday. Guests were Mr. and Mrs. Robert Elsner, Mr. and Mrs. George Waldvogel and Mr. and Mrs. Eugene Batson and children. Later in the evening other relatives joined them.

Mr. and Mrs. William Deist are both surgical patients at Silver Cross hospital.

Miss Viola Lankenau attended the Superintendent and Principals meeting at the Gompers school in Joliet Wednesday afternoon.

On Monday, Oct. 26, the school teachers of the public grade and high schools will attend the N.E.A. meeting at the Joliet Township high school.

The usual annual school fair and fun nite with a program will be held at the public school Friday, Oct. 30, beginning at 7:30 p.m.

Mrs. Herbert Folkers attended the Red Cross meeting in Joliet

last Tuesday afternoon. In the evening she attended the DesPlaines Valley chapter D.A.R. in Joliet. Spending last weekend with his parents was Mr. and Mrs. Frank Folkers of Chicago.

Mr. and Mrs. Clyde Reils were supper guests of Mr. and Mrs. Lester Clausen and family at Peotone last Sunday.

Mr. and Mrs. Dan Schmeicheland son Dannie of Arlington Heights spent last Sunday afternoon with her sister, the Wm. Seemanns.

A group of friends and relatives were entertained at supper guests Sunday evening in the Leslie Koenig home in honor of his birthday. A social evening was enjoyed.

The Woman's club is sponsoring a card party Saturday evening, Nov. 7 at the residence of Mr. and Mrs. Walter Welsch at Briar Wood. For tickets please call Frankfort 2671.

The Women's Society of the Methodist church is sponsoring a sale of children's and adults good used clothing at the church parlors, Linden Dr. and Saul trail, Saturday, Oct. 24, from 9 a.m. to 4 p.m. Coffee and donuts will be served. The public is invited to attend.

Mr. and Mrs. Harry Tewes visited with her brother Mr. and Mrs. Alvin Wanner of Peotone last Sunday.

Dinner guests last Sunday of Mr. and Mrs. Alvin Harnack were Mr. and Mrs. Norman Gill and daughters of Manhattan.

Mrs. John Stauffenberg of Manhattan spent 10 days visiting with Mrs. Anna Scheer. They also spent a few days at the Albert Stauffenberg home in Manteno.

Rev. and Mrs. Arnold Bizer and family of Alhambra, Ill. spent the weekend with Rev. and Mrs. Erich Bizer. They attended the homecoming at Elmhurst college Friday and Saturday evening.

The Senior Youth Fellowship plan to attend the Ice Follies in Chicago on Friday evening, Oct. 23. The group will meet at the church at 5:45.

Mr. and Mrs. Wilbert Klier en-

THIS IS A SCENE--in a skit, "The Lamp Went Out" presented as part of the program during a fashion show at the Tinley Park Methodist church last week, sponsored by the Friends of the Library. Attempting to revive Mrs. Garland Deinert, who has collapsed in a chair, are Mrs. Bernard Ercius (in the base-

ball suit) and Mrs. Logan Ozburn. Also in the scene is Mrs. Thomas Dejanovich in cape and bowler hat. The lady in the center holding the crescent moon may have missed her cue and arrived too early on the scene. At any rate, she is unidentified.

(Marvin Smith photo)

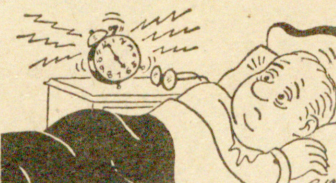

tertained their card club last Saturday evening. Honors were won by Mr. and Mrs. Milton Subbert and Mrs. Klier. Refreshments were served.

Miss Janet Folkers entertained 16 guests last Saturday evening on the occasion of her birthday.

Herbert Folkers Jr. of Michigan State University spent last weekend with his parents, Mr. and Mrs. Herbert Folkers.

Dr. and Mrs. Irving Rudman were dinner guests of Mr. and Mrs.

Start Reaction in Nation's 1st Atom Power Station

Dresden Nuclear Power Station, 50 miles southwest of Chicago, has achieved its first nuclear chain reaction.

This initial fissioning is the first step in the reactor testing program at Dresden, carried on by Commonwealth Edison and General Electric Co. It will be followed by several months of further testing before the first electricity is produced early next year. Full operation of the station is scheduled for mid-1960, or about six months ahead of the original schedule.

Commonwealth's Dresden Station is the first full scale privately-financed atomic power plant to go into operation in the United States. Its nuclear power reactor is larger than any now operating or under construction in the country.

Criticality - the first chain reaction - was reached after the General Electric and Commonwealth Edison scientists and engineers placed about 6 per cent of the plant's uranium fuel elements in the reactor core. Ultimately, a total of 488 fuel elements will be loaded into the reactor.

Triggering of the first Dresden chain nuclear reaction was accomplished by withdrawing a number of the reactor's 80 stainless steel control rods a predetermined distance out of the bottom of the core. Movement of the rods was regulated from the central control room in the plant's adjoining turbine-generator building.

Loading of fuel into the reactor core involves the moving of 11-foot-long fuel elements from the nearby fuel storage building thru a 40-foot-deep, water-filled tunnel into the 190-foot steel sphere which houses the reactor.

Skilled technicians load fuel elements, each containing 36 zirconium alloy-clad fuel rods, are guided visually into the water-filled reactor vessel.

When completely loaded, the reactor core will contain 65 tons

of fuel. Its first full load of uranium dioxide fuel, slightly enriched to 1.5 per cent of U-235, is expected to last about three and one-half years. This would be long enough for a coal fired plant of the same size to burn approximately 2 million tons of coal.

When the 180,000-kilowatt nuclear plant is turned over to Commonwealth Edison by General Electric next year, it will be producing enough electricity to supply the needs of a city of 200,000.

Electric power will be produced early next year when steam generated inside the reactor turns the turbine-generator in an adjoining building. Dresden electricity will be distributed over the Commonwealth interconnected system in Chicago and Northern Illinois.

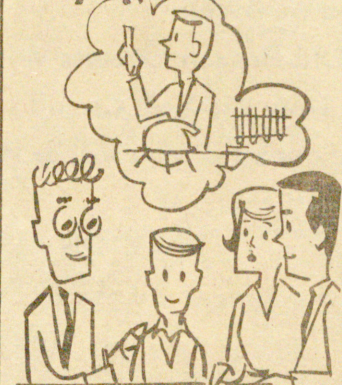

General Electric Company is building Dresden for a fixed price of \$45,000,000. Bechtel Corporation of San Francisco is engineer-constructing.

Of the \$45,000,000 contract price, Commonwealth Edison is paying \$30,000,000 plus something over \$6,000,000 of site and overhead costs. The Nuclear Power Group is paying the \$15,000,000 balance of the contract price as a research and development expense.

Members of the Nuclear Power Group include Commonwealth and Bechtel and American Electric Power Service Corporation, Central Illinois Light Company, Illinois Power Company, Kansas City Power & Light Company, Pacific Gas and Electric Company and the Union Electric Company.

Red Rocks Theater 16 miles southwest of Denver, Colo., is a 9,000-seat amphitheater cut out of the mountain. It is said to have the best acoustics of any outdoor theater in the world.

EDDIE the EDUCATOR says

Going to school without a purpose is like sailing a ship without a rudder. Parents and teachers should help pupils determine their goals.

Illinois Education Association

Mokena AMVETS to Install New

The AMVETS Five Point Post 183 of Mokena will hold installation of officers on Saturday, Oct. 24, at 8 p.m. at the home of Andy Zink, 300 E. Carpenter st. The officers to be installed are, Harry Fee, commander; Andy Zink, vice commander; Ed Woodcock, junior vice commander; Earl Wolfgang, finance officer; Bob Fortman, finance officer; Bob Fortman, judge advocate; and Wilbur Schalk, provost marshal.

Engagement Raydene Cook Announced

Mr. and Mrs. Ray L. Cook, of 332 W. Francis Road, New Lenox, announce the engagement of their daughter, Miss Raydene Lee Cook, to Mr. Wesley William Harris, son of Mrs. Alice Harris, Surf St. Chicago.

Miss Cook is a graduate of Lincoln-Way High school, and is now

a Junior at Illinois Masonic Hospital School of Nursing, Chicago.

The prospective bride-groom is a graduate of Amundsen High school, Chicago, and is presently attending Amundsen College as a student of Law. He is also employed by the Chicago Title and Trust Company, of Chicago.

No definite date has been set for the wedding.

The Cooks were formerly of 207 - Mound st., Joliet.

Women's Club to Hear Talk On Indian Lore

The October meeting of the Tinley Park Woman's club will be held Wednesday, Oct. 28, at the American Legion hall.

Blending beautifully with the Indian Summer weather, Mrs. Fred Sturmer Gridley, a student of Indian lore and customs, who will appear in full costume while giving her program, "Indian Legends of American Scenes." This lecture will include colored slides.

Marion E. Gridley has had an intimate and active association with Indian affairs and is Secretary of the Indian Council Fire, a national organization devoted to Indian interest and welfare. This work has brought her into contact with Indians in all walks of life and has resulted in many honors given her from different tribes.

Hostesses, headed by Mrs. C. D. Ackrin, include Mesdames Arthur Blue, Robert Fries, William Kopp, Kermit Mattson, William Moore, Robert Rich, George Yocum.

Women Voters Sponsoring Smorgasbord

The Tinley Park League of Women voters is climaxing a week-long observance of the United Nations by giving a Smorgasbord of Nations on Saturday, October 24, 1959, at the American Legion Hall between the hours of 5 p.m. to 8 p.m. The public is invited to this international dinner, so come and get acquainted with your neighbors in the United Nations. The prices will range from ten cents to fifty cents per portion.

It is reflected in the United Nations concept of universality -- not as a means to merge different outlooks and cultures into one uniform pattern, but rather as a free association that bring peoples together in a spirit of tolerance for the ways of life that others value and with a willingness to learn from new ideas.

ORLAND BOYS
A meeting of the Orland Boys 4H club was held Oct. 5, at the home of Glenn Ginder.

The meeting was opened with the pledge to the American Flag. The new members who have joined for the coming year are Bobby Bettenhausen, Donald Kohl and Larry Yunker.

Lawrence Lauffer gave a demonstration on taxidermy, using a pheasant which he had shot last year, as his model.

Jerald Coleman gave a talk on sheep.

The meeting closed with the 4H pledge, and refreshments were served by Mrs. Ginder, and enjoyed by everyone.

After the meeting some exciting games were played under the direction of Rodney Kniernem, recreational chairman.

The next meeting is scheduled for Nov. 2, at the home of Leslie, Melvin and Larry Yunker.

BUSY HOUR

The New Lenox Mokena Busy Hour 4-H club held their first meeting of the year at the home of Virginia Manzke, LaPorte road, Mokena, Friday, Oct. 16.

Mrs. Willis Guth was introduced as the co-leader and Kathy Malloy, Karen Erickson, June Swanberg, Sarah Sipple and Donna Guth as new members, by Mrs. Robert Hummelford, leader.

Plans were made for the candy sale to be held and Achievement night, Nov. 19 at Lincoln-Way High school. An election of officers was held as follows:

Judy Owen, president; Sandra Kooyenga, vice president; Barbara Taylor, secretary, Delores Kooyenga, treasurer, June Swanberg, recreation chairman, and Betty Jane Malloy, scrapbook chairman. Millicent Halik was elevated to Junior leader.

The next meeting was set for November 20.

Plan Social Evening for Handicapped

The Council for Handicapped Children announces that the newly formed social group of handicapped teenagers will meet for the first time on Oct. 28, in room No. 1, at Sauk Trail school, 240 Orchard drive, Park Forest.

The teenagers will enjoy games dancing and refreshments from 5 to 9 p.m.

Many teenagers in the south suburban area are volunteering their services to aid the handicapped. Handy Camp, a day camp for handicapped children, sponsored by the Park Forest National Council of Jewish Women, has reported that the response of teenagers volunteering their services has been tremendous.

Twelve teenagers under the leadership of Tom Taradash, president of Rich High Key club, and Sue Brewer, president of Rich High Future Nurses club, are busy making plans for the newly formed social club for handicapped children.

The next meeting of the Council for Handicapped Children will be held Friday, Nov. 13 in the Blackhawk school, Park Forest.

Ann Edstrom is Feted at Shower

Ann Edstrom of Lincoln Estates was the honored guest at a miscellaneous shower given at the home of Carole Baker Thursday evening, Oct. 8. She received a corsage and many lovely gifts from the 25 guests.

The decorations were in pink and white. Prizes were awarded for games and refreshments were served.

"A tourist is a man who travels to see things that are different and then complains when they aren't the same." — Dublin Opinion.

PTA NEWS

ANN RUTLEDGE UNIT

The Ann Rutledge Parent Teacher association met Monday, Oct. 12 in the school. The Pledge to the Flag was led by Mrs. George Kaehler and the PTA Prayer was read by Mrs. Paul Kluth. Community singing was led by Mrs. William Davidson, accompanied by Mrs. George Kaehler at the piano.

Minutes of the meeting were taken by Mrs. John Tyler in the absence of the secretary.

A turkey dinner will be served at the school on Nov. 8, from noon to 6 p.m., sponsored by the PTA.

George Kaehler, Council delegate, reported on the Council meeting held Oct. 1, in Peotone High school. The next meeting of the Area Council will be held Tuesday Oct. 27, in Mokena.

John Van Donk announced plans for the Halloween party to be given by the Auxiliary Police.

Mrs. Bevan's room won the attendance banner.

The evening's program was a Sample School Day when all parents visited children's rooms.

Refreshments were served by the first grade mothers with Mrs. Floyd Martin as chairman.

The recreation party for October was held Friday, Oct. 9. The movie, "Halls of Montezuma" was shown. Chaperones were Mrs. William Frankenberg, Mr. and Mrs. George Kaehler and Mr. and Mrs. Charles Jones.

ARBOR PARK-KIMBERLY HEIGHTS

The Arbor Park - Kimberly Heights PTA met Thursday evening, Oct. 15, in the Arbor Park School auditorium.

"Reaping the Harvest" was the theme for this month. Musical selections were presented by the Junior High school of Arbor Park, under the direction of Miss Paula Pivonski, special music teacher.

Speakers for the evening were Mrs. Raymond Hall and William Libbert, from Bremen Community High school. The subject discussed was the Oct. 24 bond referendum for building the new high school, near Tinley Park.

The eighth grade mothers were hostesses.

As in previous years, the PTA is again planning to hold their Fall Festival. This annual event will take place at Arbor Park school, Oak Forest, on Saturday, Oct. 24, starting at 5 p.m. The public is cordially invited to attend.

RNA Adopts Patients at Tinley Hosp.

Members of Dew Drop Camp 2023, Royal Neighbors of America, will adopt several patients at the Tinley Park State hospital, to whom gifts and necessities will be given thruout the year. This was decided at the meeting held in the American Legion hall, Tinley Park, Tuesday of last week.

New members given the obligation and welcomed into the organization at this meeting were Anna and Sue Nesci.

About 35 members are planning to make the tour of the Bouschelle plant on Tuesday, Oct. 27. The bus will leave the American Legion hall at 12 noon. Those attending should meet at the hall by 11:30 a.m.

The evening of Oct. 27, the regular meeting night, will be a hobo or hard-times party. Members not in costume must pay a fine.

Reported on the sick list were Amanda Nielsen, who had a bad fall and is convalescing at home and Lewis Hermesmeyer, who is a patient in Hazel Crest hospital.

At the official rate of exchange, 360 Japanese yen are equal to one U.S. dollar.

Legion Auxiliaries

Co-Hosts 8th District Meet

Delegates from the American Legion Auxiliary and Post 615 of Tinley Park attended the 8th District meeting on Wednesday, Oct. 14, at the Rehfeld-Meyer Post in Matteson.

Those attending were Lois Freitag, Frances Rowden, Mamie Brandau, Anna Dull, Betty Gager, Doris Johnson, Theresa Earley, and Anita Lutzke.

The Auxiliary was co-hostess at the meeting.

Jet planes use up fuel three times as fast as conventional piston-powered aircraft.

Countryside News and Views

WILLIAM F. WHITESIDE
Cook County Assoc. Farm Adviser

In a recent Indiana study, labor was found to be the crucial item in determining the most profitable size of laying flock. Costs of producing eggs, excluding labor, remain relatively constant as flock size increases. The problem of how large a laying flock is profitable hinges largely on the value of labor for the laying flock enterprise. If the laying flock has

University of Illinois agricultural economists have developed a new livestock share lease form. It is especially designed to take care of increased mechanization on

many livestock farms.

Some of the unique features of the new lease include column arrangement to show how landlord and tenant will share investments, expenses and returns; space for listing changes in the general leasing plan; and places to list cost-sharing arrangements for agricultural chemicals, tractor fuel and electricity.

Fire takes the lives of about 3,500 farm people each year, and rural property lost through fire adds up to about 100 million dollars annually.

Reports show that 25 percent more children die in rural dwelling fires than in urban.

Lead poisoning cases in dogs are increasing. Symptoms are similar to the signs to rabies, and a laboratory diagnosis is necessary to show the difference between the two diseases. Poisoned dogs may take in lead through the mouth and by breathing fumes containing tiny particles of lead.

"Progress for Better Living" will be the central theme for the 1960 University of Illinois Farm and Home Festival. Set for March 31 and April 1 and 2, the festival will portray how science and education have led to better farming and better living for people in Illinois and throughout the world.

This year's corn crop is estimated (in September) at 4,382 million bushels, 15 percent more than the previous record set a year ago. But the production of each of the other three feedgrains -- oats, barley and sorghum grains -- is less than it was last year.

Did you know that eggs fluctuate in price during the year almost more than any other food? When planning your food budget you may wish to use eggs sparingly during a high season and most generously during a low

EXAMINATIONS ANNOUNCED BY U.S. CIVIL SERVICE COMM.

The United States Civil Service Commission has announced examinations for the following:

Biologist, microbiologist, and physiologist, for filling positions paying from \$4,980 to \$12,770 a year in the National Institutes of Health, Bethesda, Md. To qualify, applicants must have completed appropriate college study and have had professional experience in the field for which they apply. Full information is given in Announcement 204 B.

Geologist, for filling positions paying \$4,490 and \$5,430 a year in Washington, D. C., and throughout the United States. Most of the positions to be filled are with the Geological Survey. Applicants must pass a written test and have had appropriate college study. Experience or graduate study is also required for positions paying \$5,430 a year. Applications will be accepted from college seniors or graduates who expect to complete the required study within nine months. All applications must be filed not later than Dec. 1, 1959. Instructions for applying are given in Announcement 208 B.

Printing plant worker for filling jobs paying \$1.64 an hour in the Government Printing Office and the Bureau of Engraving and Printing in Washington, D. C. The agencies prefer men for these jobs. Applicants must pass a written test. Applications must be filed not later than Dec. 29, 1959. Full information is given in Announcement 207 B.

Electronic Technician, for filling jobs paying \$4,980 a year plus 25 percent cost-of-living differential, with the Federal Aviation Agency in Alaska. Applicants must have had appropriate experience. Announcement 11-101-4(59) gives full details on the requirements to be met and how to apply.

Announcements and application forms may be obtained from most post offices throughout the country or from the U. S. Civil Service Commission, Washington 25, D. C.

U. of I. Names Asst. Dean of Sorority Women

Miss Barbara Joan Cochran, Delaware, Ohio, has been named assistant dean of women for sorority women at University of Illinois, Dean of Women Miriam A. Shelden has announced.

She succeeds Dr. K. Patricia Cross, who resigned to be acting dean of women at Cornell University, Ithaca, N. Y.

Miss Cochran will be adviser to University Panhellenic which represents more than 2,000 women in 27 social sororities maintaining chapters at Illinois.

FOOTBALL SCHEDULE

THIS WEEK'S GAMES:

SAT. OCT. 24, 2 P.M. OAK LAWN AT CARL SANDBURG

SAT. OCT. 24, 2 P.M. BREMEN AT RICH

SAT. OCT. 24, 2 P.M. HOMEWOOD-FLOSSMOOR AT LINCOLN-WAY

LAST WEEK'S RESULTS

BREMEN 21, REAVIS 19. CARL SANDBURG 38, HOMEWOOD-FLOSSMOOR 6 LINCOLN-WAY 7, OAK LAWN 19.

This Week's Predictions
By PEEPING PIGSKIN

We are back over the .500 mark this week with two right and one wrong. However, for sometime on Friday afternoon we were much afraid that we would find ourselves with another losing week.

The Bremen-Rich battle is the top attraction. In the spectacular late game success the Braves did not look quite strong enough to take the Rich Rocket. We will have to pick Rich by a touchdown.

Carl Sandburg and Oak Lawn should have an inter-

esting time on Saturday in Orland Park. The Spartans have not lost a game since the opener to Evergreen Park. Fred Parks' club is coming along. However we expect Joe Devine's boys to be up. Sandburg by a scant touchdown.

Lincoln-Way, suffering two sidetracks in the driving to the first winning SWS season should find the victory touchdown with Homewood-Flossmoor. L-W by a touchdown.

WELCOME WAGON

is an opportunity to obtain clothing in good useable condition and many other household items at low prices.

The Band Boosters met Tuesday, Oct. 20, at 8 p.m. in the Haven school. An instrument insurance plan was presented to parents.
Brownie Troop 107 of New Lenox held a weiner roast recently at Pilcher Park. The troop now has a new meeting place, at the home of Mrs. John Skiniotes, 129 W. Francis road. Anyone having old useable tables and chairs that can be donated to the troop, please call New Lenox 8551.

Mrs. Walter Hamilton opened her home Wednesday, Oct. 21 to the regular meeting of the Home and Arts club. Mrs. Louise Johnson was co hostess.

The Methodist church will hold their annual turkey dinner Thursday, Oct. 29 at the hours of 5, 6 and 7 p.m. Tickets are limited and must be bought in advance. For reservations, call Grace Sweet, New Lenox 6168.

Arrests made the past few days and fines paid in both Otto Bormet's and James Sherwood's court, are as follows: In Bormet's court: Marilyn Schmuhl, New Lenox, speeding, fined \$15, John L. Parker, Joliet, speeding, Dennis Vally, New Lenox, no drivers license, fined \$15, William N. Martin, New Lenox, speeding; Robert H. Hathens, Mokena, speeding; Harold E. Mescher, Lockport, speeding and driving too fast for conditions in school zone; Arnold D. Faverty Chicago, improper passing; Robert Wilder and Donald Madsen, New Lenox, speeding, school zone, too fast for conditions; In James Sherwood court: Quillien W. Casper, Walkerville, Mich., speeding; Joseph F. Faker, Wisconsin road, New Lenox, disobeyed stop sign; Stanley E. Sakalt, Chicago, speeding; Donald Durbin, New Haver, Ind., disobeyed red light and improper passing; John O'Neill, Bruce road, Lockport, speeding; Fred W. Julius, East Moline, speeding; Earle A. Payton, 1532nd Avenue, Joliet, improper passing; David A. Hall, 276 E. 1st st., Mokena, improper passing.

A set of keys found in the vicinity of Forrest st. and No. Cedar road, and turned into the local police, can be claimed by calling Mrs. Anderson at 3651.

The Womans Society of Christian Service of the Methodist church met in Fellowship Hall, Oct. 21.

Mrs. Jane Anderson opened her home Tuesday to the meeting of the New Lenox Womans club. Mrs. Anna Parsons assisted her as co-hostess, and Mrs. Laura Morris and Mrs. Aurelia Bruns had charge of the program.

Mrs. Ralph McCoy who underwent major surgery last week in Silver Cross hospital, is now recuperating at the home of her daughter and son in law, Mr. and Mrs. Frank Steriotti, 926 Ogden road.

Miss Margaret Campbell and Miss Arlene Otis returned Sunday night from Normal, where they spent the weekend with Miss Dotte Anderson, a freshman student at Illinois State Normal University. Ron Steinberg has pledged Tau Kappa Epsilon fraternity at Millikin University in Decatur. He was also elected president of his pledge class.

Ron is a freshman majoring in music education. He is a 1959 graduate of Lincoln-Way Community High school.

Mr. and Mrs. Chester Steinberg of R. R. 1, are his parents.

MOKENA UNIT

The function and duties of the Eastern Area Council Parent-Teacher Association will be explained at the meeting of the Mokena PTA on Oct. 27, when members of the organization will be special guests. Mrs. Leonard Robinson is president of the Eastern Area Council. The meeting will be held in the Carpenter Street school at 8 p.m.

J. A. Bissell, of Lincoln Estates, Council program chairman, will conduct a panel discussion on "Conversation Around the Dinner Table".

Parents are reminded of the membership drive now in progress. A contest being conducted

among the different classrooms ends Oct. 23.

A baby-sitting service will again be available to enable both parents to attend the meeting.

Refreshments will be served by the seventh grade room mothers, Mrs. Loren Collins and Mrs. Jack Rodeghero.

Uncle Sam Says When

For those who want the federal government to build schools; make grants to school districts to aid them in paying teachers; build highways and otherwise finance local needs and problems we should like to sound a note of warning.

When the government puts money into local projects it isn't long before some federal bureau or agency takes over the projects.

As a recent example we should like to point out what has happened in Oregon. The state highway department of Oregon has long used yellow dividing lines on its highways. It claims that most motorists find the yellow are seen more easily than the white lines, especially in bad weather. Thus they are an important safety factor.

But there has been a change. The federal boys have decided in favor of white lines. And so the Oregon

highway department has announced that white lines will replace the yellow ones because the federal government has decreed that states must adopt white lines—or lose their share of funds earmarked for the multi-billion interstate highway system.

Whether white lines are better than yellow lines or vice versa is not significant. The point is simply this. When one accepts a "gift" from Uncle Sam he forfeits his freedom of choice.

As an editorial writer on the Portland Oregonian puts it, "when Uncle Sam puts up the money for a new suit, he not only decided what kind of suit it shall be but also picks out the color of the tie."

Remember the old saying, "he who pays the piper calls the tune."

The bigger the government gets the more piper it will pay and the more tunes it will call.

hospitals and undertakers.

But farmers and domestic animals take a dim view of such per-
-0-

When the rush of trigger-happy nimrods from the city begins the farmers and their possessions are in for a bad time.

There are some hunters, of course, who are decent, law-abiding citizens. They do not trespass on posted farms, nor do they shoot farmers' dogs, farmers' cats, farmers' poultry, farmers' livestock or for lack of something else to shoot at riddle milk cans or blast away at tractors and other farm machinery.

There are too many, however, who do all of these things and resent any interference with what they call their rights.

In the past year there has been quite a clamor by so-called hunters for the United States to give a big chunk of land to Illinois as a hunting preserve. The land in question is south of Joliet along the waterway.

We have said before and repeat again that the hunting preserve plan appears to be the only practical one. Loosing gun shooters on the countryside is a dangerous business. Too many barge in where they are not wanted and refuse to leave until they have shot something.

Such an attitude is tough indeed on a farmer, his wife or children if they are the only moving things in sight.

The sale of farm land to subdividers has further reduced the game population in the countryside but it does provide hunters with more live targets.

Herding hunters onto a reservation, however, should be a help. They could thus confine their shooting to their own ranks.

In listing some of those who benefit from the hunting season we forgot to mention printers and sign makers. You have seen those signs—"No Hunting", or "No Trespassing."

Well, putting them up is safe

enough if one does the job well ahead of the hunting season but those who wait until it opens have to be pretty agile. He is lucky if some hunter just shoots it out of his hands; some hunters take the hands too.

And here is a reminder for hunters--don't pull a gun from a car by the muzzle, it may be unloaded and shoot you. Dragging a gun thru a fence is another shortcut to the happy hunting grounds.

Duck hunters don't have to worry about being shot by fellow nimrods too much unless they should suddenly take a notion to go into

Green Garden Resident Dies

Funeral services for Frank Coppotelli, 66, who died Oct. 14 at his home, Harwood Farm, Green Garden, were held Saturday afternoon at the Presbyterian Church of Our Savior, Chicago Heights. The Rev. Erich Bizer, of Frankfort, officiated and burial was in Oak Lawn cemetery, Homewood.

Masonic services were conducted last Thursday night at the Carlson funeral home, Joliet, by Mr. Joliet lodge, No. 42, A. F. & A. M.

While Mr. Coppotelli had been in ill health for the past several years he had been able to get about. He was found dead in bed, the victim of a heart attack.

A native of Italy he came to the United States in 1907 and settled in Chicago Heights. "He went to

orbit. Duck hunters just freeze to death.

How does that poem go... "happy the hunter, home from the hill..." A pretty lucky fellow too.

"Why is a bank called a department store of finance?"

Because of the great variety of services they offer, commercial banks have been described as "department stores of finance." At our bank, for example, you can deposit your savings, enjoy the advantages of a checking account, arrange home loans, personal or business loans, and automobile loans—all at moderate cost. You can also safeguard your valuables in a safe deposit box, and take care of many additional money matters—all under one roof. For one-stop banking, take full advantage of our many services.

THIS IS YOUR CONGRESSMAN

At a meeting of the Senate-House Conference Committee, to iron out differences on HR 7523, the Tax Extension Bill of 1959, Senator Robert S. Kerr, Democrat of Oklahoma, leaned across the table and said to your Representative Noah M. Mason, Republican of Illinois:

"Congressman Mason, I've been told that you are one of the ten most influential men in the House of Representatives."

60,000 voters in the Fifteenth District cast their ballots for Mr. Mason at the last election!

This advertisement is paid for by the Citizens Committee to re-elect Mason in 1960.

Homer News

By Elizabeth Anderson

Sunday, Nov. 15, will be CROP day throughout Will county, and the following Monday and Tuesday, the 16th and 17th, are designated as collection days when corn will be gathered from farmers to relieve the food shortage in overseas countries. James Tilley is the chairman for this area. The aim is to collect three carloads from this county.

The next meeting of the Missionary Society of Homer Church will be Thursday, Oct. 29, at 1 o'clock. Mrs. John Hollister and Mrs. James Elvig will be the hostesses. Reports of the bazaar and supper will be given. Mrs. Robert Burch will be in charge of the devotional program.

Rev. and Mrs. Elvig, Mrs. F. J. Paddock, and Mrs. Ira Anderson attended the fall meeting of Central Association of Congregational Churches at Brazil, Ind., Saturday.

The Homer School club met Thursday evening at 33-C School. The president, Mrs. Laverne Bond, presided. Mrs. Louis Greenwalt, chairman of Ways and Means, presented a schedule of activities for the coming year, which was approved by the group. There was a discussion of Field trips for the children. The room mothers of 7th and 8th grades acted as hostesses. The next meeting will be Nov. 19.

The Will county convention of King's Daughters will be held at the First Presbyterian Church of Wilmington, Oct. 29, beginning with a 12:30 luncheon for which reservations must be made by Oct. 26. It is hoped that a delegation from the Wayside Workers Circle can go.

Several local people attended the New Lenox Gymkhana last Sunday. Bill Mohney, Billy Greenwalt, Gregg and Jay Carlson were among the ribbon winners.

Earl Burnworth, who is on vacation this week, spent a few days pheasant hunting in North Dakota.

Mrs. Harvey Ingersoll was absent from her teacher's duties at 33-C Thursday to attend the funeral of Mrs. John Miller of Lockport. Mrs. Ray Carlson substituted for her.

Rev. and Mrs. Theodore Anderson of Wisconsin were guests of the James Elvigs Friday. They are former schoolmates.

Miss Iris Filipowicz is employed at Moody Bible Institute, Chicago.

Randall Storm, who has been in Silver Cross hospital for the past week, returned to his home Thursday, somewhat improved.

Mr. and Mrs. Jerome Paddock left Monday for a business trip to New York City. They are traveling by plane.

Mr. and Mrs. Albert Fox, Bruce Rd., are the parents of a daughter, born Oct. 1 at Silver Cross Hospital.

Mrs. Louis Giroux and baby son, Glenn George, have returned to their home near Hadley Rd. from a Chicago hospital, where the boy was born, Oct. 5.

Mr. and Mrs. Stanley Zdzinski and three children are nicely settled in their new home on Hadley Rd., which they recently purchased from the J. Hoogstras.

Light refreshments and a social hour are being planned to follow the Concert which will be held at Homer Church Sunday evening, Oct. 25, at 8 o'clock.

Mr. and Mrs. John Hoopingarner of Berrien Springs, Mich., were last weekend guests in the home of their granddaughter, Mrs. W. B. Champoux and family on Gougar Rd.

Mrs. George Burcham acted as hostess at the Ludvig School PTA meeting last Wednesday evening. She was assisted by Mrs. Chester Filipowicz and several Lockport members.

Dedicate New Building at Normal Univ.

Dedication of the Centennial building at Illinois State Normal University, is slated for Nov. 19. The formal dedication services will be held in the afternoon and an open house for visitors during the evening. The events are being planned by heads of the fine arts department.

The east wing of the Centennial building was completed last spring and opened for Music department classes in April. The west wing, which houses the Art and Speech departments, was in use for the first time during the summer session.

The dedication ceremony in November will mark the third public event to be held relating to the new \$1,230,000 fine arts structure.

"It isn't your position but your disposition that makes you happy or unhappy."

LEGAL PUBLICATION

AN ORDINANCE creating an issue of \$1,500,000 Waterworks and Sewerage Revenue Bonds, Series of 1959, of the Village of Tinley Park, Cook County, Illinois, and providing for the payment and security thereof.

WHEREAS, the Village of Tinley Park, Cook County, Illinois, has for many years long past owned and operated in its governmental capacity a waterworks system and a sanitary sewerage system serving the needs of said Village, and has combined said systems into a combined waterworks and sewerage system (hereinafter, together with the improvements and extensions authorized by this ordinance and all further improvements and extensions thereof, or replacements thereto, collectively called the "combined system"); and

WHEREAS, the governing body of said Village has heretofore approved the engineering report with supporting data, plans, maps and cost estimate for the construction of needed improvements and extensions to said combined system, and has determined that said Village will need to borrow \$1,500,000 to provide said improvements and extensions; and

WHEREAS, pursuant to the provisions of the Revised Cities and Villages Act, this Village is authorized to issue Waterworks and Sewerage Revenue Bonds in an amount sufficient to pay the cost of constructing such improvements and extensions, and installing such equipment, as aforesaid, and the income and revenue derived, and to be derived, from the operation of said combined system of said Village will be fully adequate to provide for the payment of new bonds so proposed to be issued.

NOW, THEREFORE, Be It Ordained by the President and Board of Trustees of the Village of Tinley Park, Cook County, Illinois, as follows:

Section 1. That the existing combined system of this Village be improved and extended in accordance with the engineering report and supporting data, plans and maps prepared by Walter Wilson and Associates, Consulting Engineers, Chicago, Illinois, heretofore submitted to and approved by this Village, at a cost estimate (including engineering, legal, financial, and other expenses, together with interest on the bonds herein authorized during the period of construction of the improvements and extensions herein described and for six (6) months subsequent to the date of completion thereof) hereby determined to be \$1,500,000, said improvements and extensions to include the following:

A. A system of sanitary sewers for the collection and disposal of the sanitary sewage of said Village, comprising sewer laterals, mains and interceptors, complete with manholes, house drains and all necessary appurtenances, for discharging said sewage into a proposed intercepting sewer of the Metropolitan Sanitary District of Greater Chicago;

B. All easements, properties, facilities and work needful to the construction and installation of said improvements and extensions and to the integration thereof with the existing waterworks and sewerage system of said Village for the proper and efficient operation thereof;

all as more fully set forth in said engineering report and supporting data, plans and maps heretofore approved and now on file for public inspection in the office of the Village Clerk; and the Board of Trustees does hereby determine the period of usefulness of said combined system; including said described improvements and extensions, to be forty (40) years from the date of the bonds herein authorized to be issued.

Section 2. That for the purpose of accomplishing the needful improvements and extensions to said municipally-owned combined waterworks and sewerage system of said Village as hereinabove described, there be issued and sold the bonds of said Village to be designated "Waterworks and Sewerage Revenue Bonds, Series of 1959" in the principal sum of \$1,500,000. The said bonds shall bear date of November 1, 1959, be of \$1,000 denomination each, numbered from 1 through 1500, and shall mature serially in numerical order on May 1 in each of the years and in amounts as follows:

\$ 5,000 - 1962 through 1964
10,000 - 1965 through 1969
15,000 - 1970 through 1974
20,000 - 1975 through 1978
25,000 - 1979 through 1982
30,000 - 1983 through 1985
35,000 - 1986 through 1988
40,000 - 1989 through 1992
50,000 - 1993 through 1995
60,000 - 1996 through 1998
500,000 - 1999

provided that said Village reserves the right to call for redemption prior to maturity the bonds of said issue numbered from 1001 through 1500 as a whole, or in part in their inverse numerical order, on May 1, 1969, or any interest payment date thereafter, and when all of said bonds will have been so redeemed said Village reserves the right to call for redemption prior to maturity the bonds of said issue numbered from 246 through 1000 as a whole, or in part in their inverse numerical order on May 1, 1979, or any interest payment date thereafter, such redemption of all or any part of said bonds to be at a price of par and unpaid accrued interest to the date of redemption.

Notice of redemption of any or all of said bonds shall be given by publication at least once not less than thirty (30) days prior to the date of redemption in one financial newspaper published and of general circulation in the City of Chicago, Illinois, and such notice of redemption shall designate the date of redemption, the numbers and aggregate principal amount of bonds called for redemption, the place of redemption, which shall be the paying agent designated in said bonds, and shall state that the bonds so specified will be redeemed at a price of par, unpaid accrued interest to the date of redemption, and from and after the designated redemption date interest on all of said bonds so called for redemption shall cease.

The said bonds shall bear interest at the rate of Six Per Cent (6%) per annum, or at such lesser rate or rates as shall be determined at the sale of said bonds as hereinabove provided, such interest to be payable on May 1, 1960, and semiannually thereafter on November 1 and May 1 in each year until paid, and both the principal of and interest on the said bonds shall be payable in lawful money of the United States of America at such bank or trust company in the City of Chicago, Illinois, as may hereafter be agreed upon between the purchaser of said bonds and said Village.

Said bonds shall be signed by the President, sealed with the corporate seal of said Village, and attested by the Village Clerk, and the interest coupons attached to said bonds evidencing interest at the rate so specified shall be executed by the facsimile signatures of said President and said Village Clerk, and said officials, by the execution of said bonds, shall adopt as and for their own proper signatures their respective facsimile signatures appearing on said coupons.

Said bonds, together with interest thereon, shall be payable solely from the revenues derived from the combined waterworks and sewerage system of said Village, and such bonds shall not in any event constitute an indebtedness of said Village within the meaning of any constitutional provision or any constitutional or statutory limitation.

Any of said bonds may be registered at the option of the holder as to principal only, at any time prior to maturity, in the name of the holder, on the books of said Village in the office of the Village Treasurer, such registration to be noted on the reverse side of the bonds by said Treasurer, and thereafter the principal of such registered bonds shall be payable only to the registered holder, his legal representatives or assigns. Such registered bonds may be transferable to another registered holder or back to bearer only upon presentation to said Treasurer, with a legal assignment duly acknowledged or approved. Registration of any of such bonds shall not affect the negotiability of the coupons thereto attached, but such coupons shall be transferable by delivery merely.

Section 3. That said bonds and coupons attached thereto (with appropriate omissions and insertions to give effect to differences in maturity dates and terms of redemption prior to maturity) shall be in substantially the following form:

(Form of Bond)
UNITED STATES OF AMERICA
STATE OF ILLINOIS COUNTY OF COOK
VILLAGE OF TINLEY PARK
WATERWORKS AND SEWERAGE REVENUE BOND,
SERIES OF 1959

Number \$1,000
KNOW ALL MEN BY THESE PRESENTS, that the Village of Tinley Park, Cook County, Illinois, for value received hereby promises to pay to bearer, or if this bond be registered as hereinabove provided, then to the registered holder hereof, solely from the Village of Tinley Park Waterworks and Sewerage Fund, as hereinafter mentioned and not otherwise, the sum of One Thousand Dollars (\$1,000) on May 1, 19 , (unless this bond is then subject to prior redemption and has been called for payment and funds provided for the payment thereof as hereinabove stated) and to pay interest on such principal sum from the date hereof until paid, at the rate of Per Cent (%) per annum, payable May 1, 1960, and semiannually thereafter on the first days of November and May in each year, and until the maturity of this bond such in-

terest shall be payable upon presentation and surrender of the interest coupons hereto appertaining as they severally mature.

Both principal of and interest on this bond are hereby made payable in lawful money of the United States of America at

This bond is payable solely from revenues derived from the combined waterworks and sewerage system of said Village and not otherwise, and is one of an authorized issue aggregating the principal sum of One Million Five Hundred Thousand Dollars (\$1,500,000) issued under authority of Article 62 of the Revised Cities and Villages Act, and all laws amendatory thereof and supplementary thereto, for the purpose of paying the cost of necessary improvements and extensions to the combined waterworks and sewerage system of said Village, and this bond does not constitute an indebtedness of said Village within the meaning of any constitutional provision or statutory limitation.

Under said Act and the ordinance adopted pursuant thereto, the entire revenue derived and to be derived from the operation of the combined waterworks and sewerage system of this Village shall be deposited in a separate fund designated as the "Village of Tinley Park Waterworks and Sewerage Fund" which shall be used only for the purpose of paying the cost of operating and maintaining such system, providing an adequate depreciation fund, and paying the principal of and interest on the bonds of said Village that are issued under authority of said Act, and are payable by their terms only from the revenue of such system, and creating and maintaining the several accounts established by the ordinance authorizing the issue of bonds of which this bond is one.

Said Village reserves the right to call for redemption prior to maturity the bonds of said issue numbered from 1001 through 1500 as a whole, or in part in their inverse numerical order, on May 1, 1969, or any interest payment date thereafter, and when all of said bonds will have been so redeemed said Village reserves the right to call for redemption prior to maturity the bonds of said issue numbered from 246 through 1000 as a whole, or in part in their inverse numerical order on May 1, 1979, or any interest payment date thereafter, such redemption of all or any part of said bonds to be at a price of par and unpaid accrued interest to the date of redemption.

Notice of redemption of any or all of said bonds shall be given by publication at least once not less than thirty (30) days prior to the date of redemption in one financial newspaper published and of general circulation in the City of Chicago, Illinois, and such notice of redemption shall designate the date of redemption, the numbers and aggregate principal amount of bonds called for redemption, the place of redemption, which shall be the paying agent as expressed in this bond, and shall state that the bonds so specified will be redeemed at a price of par and unpaid accrued interest to the date of redemption, and from and after the designated redemption date interest on all of said bonds so called for redemption shall cease.

It is hereby certified and recited that all acts, conditions and things required by the Constitution and statutes of the State of Illinois to be done precedent to and in the issuance of this bond and in raising funds to promptly assure payment thereof, have been done and have happened and have been performed in regular and due form of law, and that provision has been made for depositing in said Waterworks and Sewerage Fund the entire revenues received from the operation of said system, to be applied in the manner as hereinabove set forth, and it is hereby covenanted and agreed that rates will be charged for the use and service of such system sufficient at all times to pay the cost of the operation and maintenance thereof, to pay the principal of and interest upon all bonds issued by said Village which are payable solely from the revenues of such system, and to create and maintain the several accounts established by the ordinance authorizing the issue of bonds of which this bond is one.

This bond may be registered as to principal in the name of the holder on the books of said Village in the office of the Village Treasurer, such registration to be evidenced by notation of said Treasurer on the back hereof, after which no transfer hereof shall be valid unless made on said books and similarly noted hereon, but it may be discharged from such registration by being transferred to bearer, after which it shall be transferable by delivery, but it may be again registered as before. The registration of this bond shall not restrict the negotiability of the coupons by delivery merely.

IN WITNESS WHEREOF, said Village of Tinley Park, Cook County, Illinois, by its Board of Trustees, has caused this bond to be signed by its President, its corporate seal to be hereto affixed and attested by the Village Clerk, and the coupons hereto attached to be signed by the facsimile signatures of said President and said Village Clerk, which officials, by the execution of this bond, do adopt as and for their own proper signatures their respective facsimile signatures appearing on said coupons, and this bond to be dated as of the first day of November, 1959.

Attest: President
Village Clerk
(Form of Coupon)
Number \$
On the first day of , 19 , * (unless the bond to which this coupon is attached has heretofore been called for prior payment and payment made or provided for) the Village of Tinley Park, Cook County, Illinois, will pay to bearer out of the Village of Tinley Park Waterworks and Sewerage Fund Dollars (\$) in lawful money of the United States of America, at Illinois, being interest then due on its Waterworks and Sewerage Revenue Bond, Series of 1959, dated November 1, 1959, numbered facsimile signature
President facsimile signature

(Form of Registration Certificate)
Date of Registration In Whose Name Registered Signature of Village Treasurer

Section 4. That upon the issuance of any of the Waterworks and Sewerage Revenue Bonds herein provided for, said combined system of said Village, for the purpose of this ordinance, shall be operated on a fiscal year basis, commencing the first day of May and ending the last day of April of each succeeding year, and during each year ending April 30, so long as any of the bonds herein authorized to be issued are outstanding, the entire revenues derived from the operation of said combined system of said Village shall be collected and shall be set aside as collected and be deposited in a bank that is a member of the Federal Deposit Insurance Corporation, as depository for said Village, in a separate fund which is hereby created, to be designated as the "Village of Tinley Park Waterworks and Sewerage Fund" (hereinafter called the "Fund") which shall be kept segregated and apart from all other moneys of said Village and shall be used only to create and maintain the several accounts hereinafter specified for the purpose of paying the cost of the operation and maintenance of said combined system, providing an adequate depreciation reserve, and paying the principal of and interest upon the Waterworks and Sewerage Revenue Bonds issued under the terms of this ordinance (including an adequate reserve for that purpose), and such Fund shall be used only for such purposes and is hereby irrevocably pledged therefor.

Section 5. That there shall be established separate accounts in said Fund, as aforesaid, to be designated severally "Operation and Maintenance Account", "Depreciation Account", "Interest Fund Account", "Serial Bond Principal Account", "Term Bond Sinking Fund Account", "Bond Reserve Account", and "Surplus Account", into which there shall be credited in the order in which said accounts are hereinabove mentioned all moneys in said Fund and all in accordance with the following provisions:

(A) There shall be credited to the Operation and Maintenance Account on the first business day in each month an amount sufficient to pay the reasonable expenses of operation, maintenance and repair of said combined system for the next succeeding month, which shall include, without limiting the generality of the foregoing, salaries, wages, expenses of clerical staff, cost of materials, supplies, purchase of light and power, insurance and all other incidental expenses of an operating nature, including charges for an annual audit, for consulting engineers and the fees and expenses of the paying agent for the bonds authorized hereunder. Fixed annual charges such as insurance shall be computed and set up on an annual basis, and one-twelfth (1/12th) thereof shall be charged and accumulated each month.

(B) Beginning May 1, 1961, there shall next be credited to the Depreciation Account on the first business day in each month the sum of Four Hundred Dollars (\$400) until a maximum of Forty Thousand Dollars (\$40,000) is on deposit in said Account, which is hereby found and determined to be a reasonable amount necessary to accomplish the purpose for which said Account is established.

The moneys in said Account shall be used to pay the cost of necessary repairs and replacements to the combined system (excluding any extensions to said combined system) and all expenditures for such purpose in excess of \$5,000 shall be approved by an independent consulting engineer or engineers favorably known for skill in such matters before any such expenditures are made. The moneys held in said Account to the extent necessary to prevent or remedy a default in the payment of the interest on or principal of the bonds herein authorized shall also be used and held for use for that purpose and, for that purpose shall be transferred by the Treasurer of this Village, without further authority, to the proper Account hereinabove mentioned, and whenever such a transfer is made, the amount or amounts so transferred shall be added to the next credit to be made to said Depreciation Account, and thereafter, until full reimbursement to said Account has been made.

(C) There next shall be credited to the Interest Fund Account the entire balance of the revenues on the first business day in each month prior to November 1, 1961, until the amount of interest due November 1, 1961 is on hand, and on the first business day in each month thereafter commencing November 1, 1961, an amount equal to one-fifth (1/5th) of the interest becoming due and payable on the next succeeding interest payment date on all of the outstanding bonds authorized pursuant to this ordinance until there is on hand in said Account the full amount of the next succeeding interest payment, and the moneys so credited to said Account shall be applied and made available for the payment of such interest when due. It shall be the continuing duty of the Treasurer of this Village, without further authorization from the President and Board of Trustees thereof, to deposit adequate funds with the paying agent of the aggregate principal amount of \$1,500,000 bonds authorized hereunder on or before fifteen (15) days prior to the interest anniversary dates of said bonds.

(D) There shall next be credited to the Serial Bond Principal Account the entire balance of the revenues on the first business day in each month prior to May 1, 1962, until the amount of principal due May 1, 1962 is on hand for the payment of the bonds authorized hereunder expressed to mature on May 1 in each of the years 1962 through 1998, and being the bonds numbered from 1 through 1000, and on the first business day in each month thereafter commencing May 1, 1962, an amount equal to one-tenth (1/10th) of the aggregate principal amount of the said bonds due and payable on the next succeeding principal payment date of said described bonds, until there is on hand in said Account the full amount of such principal due on the next succeeding principal payment date, and the moneys so credited to said Account shall be applied to and made available for the payment of the said bonds as described in this Sub-paragraph (D) as the same mature. It shall be the continuing duty of the Treasurer of this Village, without further authorization from the President and Board of Trustees thereof, to deposit adequate funds with the paying agent of said bonds on or before fifteen (15) days prior to the serial maturity dates of said bonds.

(E) Beginning not later than May 1, 1961, and on the first business day in each month thereafter, there shall next be credited to the Term Bond Sinking Fund Account for the sole purpose of paying the bonds numbered from 1001 through 1500 and expressed to mature on May 1, 1999, one-tenth (1/10th) of the following amounts during the respective fiscal years beginning with the dates hereinafter shown, until the full amount for said fiscal year has been credited, to-wit:

Fiscal Year Commencing May 1 Amount
1961 \$5,000
1962 5,000
1963 5,000
1964 5,000
1965 5,000
1966 5,000
1967 5,000
1968 5,000
1969 10,000
1970 10,000
1971 10,000
1972 10,000
1973 10,000
1974 10,000
1975 10,000
1976 10,000
1977 10,000
1978 10,000
1979 10,000

Fiscal Year Commencing May 1 Amount
1980 \$15,000
1981 15,000
1982 15,000
1983 15,000
1984 15,000
1985 15,000
1986 15,000
1987 15,000
1988 15,000
1989 15,000
1990 15,000
1991 20,000
1992 20,000
1993 20,000
1994 25,000
1995 25,000
1996 25,000
1997 25,000
1998 25,000

It shall be the continuing duty of the Treasurer of this Village without further authorization from the President and Board of Trustees thereof, to use all moneys in said Account for the redemption, purchase and payment of said bonds and to deposit adequate funds with the paying agent of said bonds for that purpose as hereinafter in this ordinance provided.

(F) Beginning May 1, 1961, there shall be credited to the Bond Reserve Account the sum of Eight Hundred Dollars (\$800) on the first business day of each month until such Account aggregates the sum of Eighty Thousand Dollars (\$80,000), and thereafter no further funds shall be credited to said Account, except as hereinafter provided. The moneys in said Account shall be withdrawn from time to time only for the purpose of paying the principal of or interest on the bonds of said Village which by their terms are payable from the revenues of said combined system of said Village whenever there are insufficient funds on hand available for that purpose in any of the other Accounts created in this ordinance for that purpose. If and when funds are withdrawn for the purpose of which the Bond Reserve Account has been created, credits to said Account shall be resumed until said Account again aggregates the sum of Eighty Thousand Dollars (\$80,000). If and when the Bond Reserve Account, together with all other funds available for such purpose, is sufficient to call and redeem all of the outstanding bonds authorized pursuant to this ordinance that are subject to redemption prior to their maturity, the said funds shall be applied to the call and redemption of said bonds and the said bonds so called and redeemed shall be cancelled and not reissued.

(G) The entire balance remaining in said Fund at the close of each fiscal year shall be credited to the Surplus Account and shall be used first to make up any deficiency in any of the Accounts described in Subparagraphs (A) to (F), inclusive, of this Section, and any balance then remaining shall be used and held for use as follows:

(i) Fifty Per Cent (50%) of the amounts so credited to said Surplus Account (a) shall be credited to the Term Bond Sinking Fund Account, hereinabove described, until the moneys in said Account are sufficient to call for prior redemption the bonds numbered from 1001 through 1500 in accordance with the terms and provisions of this ordinance for the prior redemption thereof; provided, that prior to May 1, 1967 such moneys in said Account may also be used to purchase as many of said bonds as may be purchased in the open market at not exceeding par; and (b) after all of said bonds numbered 1001 through 1500 have been paid, either by redemption or purchase, shall be credited to a Bond Redemption Fund, which is hereby created to be used for the redemption of the bonds numbered from 246 through 1000, in accordance with the terms and provisions of this ordinance for the prior redemption thereof and prior to May 1, 1977 may be used for the purchase of said bonds in the open market at not exceeding par. All such sums so credited in accordance herewith shall not reduce the annual credits to be made to the Serial Bond Principal Account or the Term Bond Sinking Fund Account as specified in Subparagraphs (D) and (E) of this Section.

(ii) All moneys remaining in excess of Fifty Per Cent (50%) of the amounts so credited as aforesaid shall be used or accumulated for the purpose of making improvements and extensions to said combined system, and all sums of money so to be used shall be transferred to an Improvement and Extension Fund which is hereby created, provided that all moneys in said Improvement and Extension Fund may from time to time by resolution adopted by the President and Board of Trustees of this village be transferred to the Term Bond Sinking Fund Account or Bond Redemption Fund for the sole purpose of redeeming or purchasing the said bonds described in subparagraph (i) hereof.

(H) The moneys to be credited to the said Accounts described in Subparagraphs (B), (E), (F) and (G) of this Section may be invested from time to time in interest bearing bonds or other direct and general obligations of the United States Government; provided, however, that the funds of said respective Accounts shall be so invested as in the judgement of the President and Board of Trustees will not be required for expenditure within a period of ninety (90) days from and after the date of the investment thereof, and provided further, that all such securities so purchased shall mature and be redeemable on a date or dates prior to the time when, in the judgment of the President and Board of Trustees the funds so invested will be required for expenditure.

It shall be the continuing duty of the officials of this Village, without further authorization from the President and Board of Trustees thereof, to sell any of such investments for any of said Accounts when necessary to meet any payment due from said Account. Any income received from, or losses realized by the sale of, any such investments shall be credited to, or charged to, the Account for which such investments were made.

Section 6. That the Village of Tinley Park hereby agrees to carry

insurance on the combined system of the kinds and in the amounts which are usually carried by private parties operating similar properties, including without limiting the generality of the foregoing, fire, windstorm insurance, public liability, and any additional insurance covering such risks as shall be recommended by a competent independent consulting engineer employed for the purpose of making such recommendations, and all moneys received for losses under such insurance policies as insure against physical damage to or loss of the system shall be deposited in the Depreciation Account and shall be used in making good the loss or damage in respect of which they were paid, either by repairing the property damaged or replacing the property destroyed, and provision for making good such loss or damage shall be made within ninety (90) days from date of the loss. The proceeds of any and all policies for public liability shall be paid into the Operation and Maintenance Account and used in paying the claims on account of which they were received.

The payment of premiums for all insurance policies required under the provisions of this Section shall be considered an operation and maintenance expense.

Section 7. That while any of the Waterworks and Sewerage Revenue Bonds issued pursuant to this ordinance remain outstanding or unpaid, rates charged for water and sewerage service shall be sufficient at all times to pay all costs of operation and maintenance of the combined system, to make the payments and maintain the balance as required in the Depreciation Account, to pay the principal and interest on all bonds authorized hereunder, and to make the payments and maintain the balances as required in the Term Bond Sinking Fund Account and Bond Reserve Account, as hereinabove provided for. There shall be charged against all users of said combined system, including the Village of Tinley Park, such rates and amounts for water and sewerage services as shall be deposited into the Waterworks and Sewerage Fund created by this Ordinance, in the same manner as other revenues are required to be deposited.

Said Village covenants not to provide any free service of said combined system, and to pay promptly for the use of all facilities connected, and to be connected, to said combined system.

It is expressly herein covenanted that said Village will not grant a franchise for the operation of any competing waterworks system or sewerage system within the Village of Tinley Park, and that the bonds herein authorized to be executed shall constitute legally enforceable liens upon the earnings of said combined system of said Village, including all further extensions, additions, and improvements thereto, whether acquired through purchase, contract or otherwise.

Section 8. In the event said Village defaults in complying with any covenant contained in this ordinance, any holder of any bond issued hereunder, or of any coupon representing interest accrued thereon, may, either in law or in equity, by proper suit, compel the officials, of said Village to perform all duties required by law and by this ordinance, including the making and collecting of sufficient rates for water and sewerage services for that purpose and the application and segregation of all income and revenue therefrom in accordance with the requirements of this ordinance.

Section 9. (A) It is hereby covenanted and agreed while any of the bonds issued under the terms of this ordinance are outstanding, said Village of Tinley Park reserves the right to issue at one time or from time to time as shall be found by the governing body of said Village necessary for the best interests of said Village, additional bonds payable from the income and revenue to be derived from said combined system for the sole purpose of paying the cost of the completion of the improvements and extensions for which the said \$1,500,000 principal amount of bonds are authorized herein; provided, that the need of such financing shall be evidenced by a certificate of the independent consulting engineer in responsible charge of constructing said improvements and extensions (i) giving a reasonably detailed description thereof, an estimate of the cost and of the time of completion thereof, (ii) stating in reasonably itemized detail all expenditures made from the proceeds of said \$1,500,000 principal amount of bonds authorized hereunder as to amount and purpose, and (iii) showing the feasibility of such revenue financing with a reference to then existing rates, and anticipated earnings based thereon, which certificate shall be approved by the governing body of said Village, and shall be made of record in the proceedings of said governing body prior to the authorization of any such additional bonds.

(B) Said Village reserves the right to issue additional Waterworks and Sewerage Revenue Bonds on a parity with the bonds herein authorized or permitted under this Subparagraph, when each of the minimum credits required in Section 5 to the several Accounts described therein has been made to the date of the proposed bonds, and when the revenues derived from said combined system for the fiscal year then preceding, as shown by an audit of an independent certified public accountant, were sufficient to pay all costs of operation and maintenance and leave a balance equal to One Hundred and Fifty Per Cent (150%) of the maximum principal and interest requirements in any one year on the bonds then outstanding and on the bonds proposed to be issued. For the purpose of making such computations the following words and phrases shall have the following meaning:

(i) the word "revenues" shall mean the gross revenues less the operation and maintenance expenses for said fiscal year;

(ii) the phrase "the bonds then outstanding" shall mean the bonds authorized hereunder maturing on May 1 from 1962 through 1968, the bonds issued under Subparagraph (A) hereof, and the bonds issued for the refunding thereof under Subparagraph (C) hereof.

Said Village further covenants and agrees with the holders of the bonds herein authorized that any such additional bonds issued under this Subparagraph shall be issued only for constructing necessary improvements, extensions, repairs or rehabilitations to the properties comprising said combined system, and that the need thereof shall be evidenced by a certificate of a responsible independent consulting engineer familiar with the construction of such work (i) giving a reasonably detailed description thereof, an estimate of the cost thereof and an estimate of the time of completion thereof, and (ii) showing the feasibility of such revenue financing with a reference to then existing rates and anticipated earnings based thereon, which certificate shall be approved by the governing body of said Village, and shall be made of record in the proceedings of said governing body before any such additional bonds are authorized and issued.

(C) In addition to the foregoing, if, prior to the payment of all the bonds hereby authorized, it shall be found desirable to refund part of the bonds hereby authorized, said bonds may be refunded notwithstanding the restrictions as to the issuance of additional bonds set forth in this Section (with the consent of the holders thereof unless the bonds to be refunded are subject to redemption and provision for call and redemption thereof is duly made), and any refunding bonds so issued shall share ratably and equally in the revenues of said combined system and the pledge thereof under this ordinance with the portion of the bonds hereby authorized which are not refunded; provided, further, that if any such bonds are refunded in such manner that the interest rate is increased or the refunding bonds mature at a date earlier than the maturity of the bonds not refunded, then such refunding bonds shall not share ratably and equally in the revenues of said combined system with the portion of the bonds remaining outstanding authorized under this ordinance.

(D) Said Village further covenants that any additional bonds so issued under Subparagraphs (A), (B), or (C) hereof, shall mature serially on May 1 of each year and bear interest payable semiannually November 1 and May 1.

(E) When the conditions herein specified for the issue of additional bonds have been met, then upon the issue thereof any such additional bonds, when issued, shall be entitled to the equal and proportionate benefit and security of the pledge of the revenue and income derived and to be derived from the operation of said combined system with the bonds herein authorized, without preference, priority or distinction as to participation of such pledge of revenue or in the benefit of one bond or coupon of each of said issues over or from any other issue by reason of priority in execution, issue, delivery or negotiation thereof, or by reason of the date or dates of said bonds, or the date or dates of maturity thereof, or for any other reason whatsoever, the intent hereof being that each and all of said bonds, as aforesaid, and the coupons evidencing interest thereon, shall have the same right and pledge as to payment and security, with the same legal effect as if each and all of said bonds and coupons had been issued, executed, delivered and negotiated simultaneously as one proceeding.

Section 10. That the Village of Tinley Park hereby covenants and agrees with the holder or holders of said bonds that it will punctually perform all duties with reference to said combined system, including the making and collecting of sufficient rates for the use and services of said combined system, all as required by the Constitution and laws of the State of Illinois, and segregating the revenues of said combined system and maintaining the Village of Tinley Park Waterworks and Sewerage Fund and the application of the respective Accounts created by this ordinance, and it hereby covenants and agrees not to sell, lease, loan, mortgage, or in any manner dispose of or encumber said combined system, including any and all extensions and improvements that may be made thereto, or the income and revenue derived therefrom, ex-

cept as permitted in Section 9, hereof, until all of the bonds herein authorized to be issued shall have been paid in full, both principal and interest, or unless and until provision shall have been made for the payment thereof.

And said Village further covenants and agrees with the holders of said Waterworks and Sewerage Revenue Bonds authorized hereunder to maintain in good condition and continuously operate said combined system, and to make, enact and enforce all needful rules and regulations and ordinances for the efficient management and proper maintenance and protection thereof, and for the use and services thereof.

Section 11. Said Village of Tinley Park Waterworks and Sewerage Fund and the Accounts created under Section 5 hereof, shall be audited within sixty (60) days after the close of each fiscal year by an independent firm of certified public accountants, and such audit and Accounts shall be open for inspection at all proper times to any holder of bonds issued under the provisions of this ordinance, or any one acting for or on behalf of such bondholder. Such audit report shall include the following items: (a) Balance Sheet, (b) Operating statement, (c) Comments of the auditor relative to the fulfillment of ordinance provisions and the manner in which the combined system has been operated and any recommendations for improving the operation thereof, (d) Insurance data, (e) Number of metered customers; number of unmetered customers; number of properties connected to the combined system; number of hydrants, and (f) Gallons of water passing through master meter and gallons of water billed, and copies of such audit report shall be furnished the original purchasers of the bonds herein authorized, and shall also be furnished to any bondholder upon request.

Section 12. That the provisions of this ordinance shall constitute a contract between the Village of Tinley Park and the holders of the bonds herein authorized to be issued, and after the issuance of said bonds no changes, additions or alterations of any kind shall be made hereto, except as hereinbefore provided, until all of said bonds and the interest thereon shall have been paid in full, or unless and until provision shall have been made for the payment thereof.

Section 13. That the sale of said bonds herein authorized shall be made by this President and Board of Trustees at a selling price such that the interest cost to said Village of the proceeds of said bonds shall not exceed 6% annually computed to maturity according to standard tables of bond values and said bonds when sold and duly executed as provided herein shall be delivered to the Treasurer who shall receipt for the payment of said bonds against delivery thereof to said purchaser.

All proceeds derived at the sale and delivery of said bonds shall be accounted for as follows:

(i) All accrued interest from the date of the bonds to the date of delivery and payment, together with the sum of \$105,095 received as principal, shall be deposited by said Treasurer with the paying agent of said bonds in the Interest Fund Account, as aforesaid, to be used and held for use solely to pay the interest on said bonds during the period of construction, estimated to be eighteen (18) months from the date of the bonds.

(ii) The Treasurer shall deposit all the remaining proceeds received as principal in a separate and special account of said Village to be known and designated as the "Waterworks and Sewerage System Bond Construction Fund Account" which shall be in the depository for said Village selected for that purpose, to be secured in the manner, form and time as by law required, and all proceeds held in said Construction Fund Account shall be used and held for use solely to construct the improvements and extensions to the said combined system of said Village as hereinabove described in this ordinance, and the beneficial interest to all moneys held in said Construction Fund Account at the time of the original deposit therein, and from time to time thereafter shall be in the holder or holders of the bonds herein authorized, and all disbursements therefrom for payment of the costs of constructing said improvements and extensions shall be made by the Treasurer hereof from time to time but only upon submission to him and said depository of:

(a) A certificate by the engineer in responsible charge of the construction of said improvements and extensions stating the nature of the work completed and the amount due and payable thereon, and that sufficient funds remain to complete the construction thereof, bearing the endorsement and approval of the President of said Village and accompanied by:

(b) An order for payment upon said Treasurer signed by the President of said Village and the Village Clerk, which order shall state specifically the purpose for which said order is issued.

Within the sixty (60) days after completion of the construction of the improvements and extensions herein authorized, said Village agrees to deliver to said depository an original counterpart of a certificate (herein called the "Certificate of Completion") signed by the President and by the Village Treasurer, and having endorsed thereon the approval of the engineer in charge of such construction, stating that said improvements and extensions have been fully constructed and completed in accordance with the plans, maps, files and specifications therefor as recited in this ordinance, and that the same has been fully paid for, or that funds sufficient so to pay for the same remain in said Construction Fund Account, giving the date of final completion and the total cost of construction, and the amount, if any, of such construction cost then remaining unpaid, together with an original counterpart of the opinion of counsel for said Village to the effect that all property, real, personal, and mixed, connected with or forming a part of, or necessary to the operation of said combined waterworks and sewerage system as completed, is owned by said Village and covered by the lien of this ordinance, and upon receipt of such Certificate of Completion and opinion of counsel as mentioned, said depository, after retaining in said Construction Fund Account a sum sufficient to pay the balance of the construction cost remaining unpaid as shown by said Certificate of Completion, including any items then in controversy, shall deposit all moneys then remaining with the paying agent for said bonds, in the Interest Fund Account hereinabove created.

Section 14. The President, the Village Clerk, and the Village Treasurer are each hereby authorized and directed to execute and deliver to the paying agent of the bonds and to each depository, as aforesaid, such certificates, proceedings, and agreements as may be necessary or convenient to establish the "Village of Tinley Park Waterworks and Sewerage Fund" herein created in Section 4 hereof, and each Account herein created in Section 5 and Section 13 hereof, and to properly secure all proceeds thereof, and to evidence compliance herewith in the making of any withdrawals therefrom.

Section 15. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this ordinance.

Section 16. All ordinances, or orders, or parts thereof, in conflict with the provisions of this ordinance are, to the extent of such conflict, hereby repealed.

Section 17. This ordinance, after its passage and approval by the President shall be published once in the Tinley Park Times, a newspaper published and having a general circulation in the Village of Tinley Park, and shall be in full force and effect after such publication in the manner, form and time as provided by the laws of the State of Illinois thereunto enabling.

Passed and approved October 13, 1959.
ELMER H. KNUDSEN,
President

Mrs. Robert Holzinger is Guest of Honor at Party

by MRS. EMIL WILLE
Frankfort 3161

Last Wednesday afternoon, Mrs. Emerth Boyden entertained a group of friends and neighbors in honor of Mrs. Robert Holzinger, who will move to her new home in Mokena in the near future.

The popular young matron received many gifts as a testimonial of the regard in which she and her family is held in the neighborhood.

The house was tastefully decorated and in keeping with the season. Mrs. Boyden had on exhibit some of her charming antiques, which were a topic of conversation among the guests. An old pot-bellied stove with the old iron kettles and bucket of coal graced one corner of the patio and a wheel barrow of apples and squash surrounded by a gathering of lovely ceramic chickens was another interesting setting. The quaint old apple peeler was most interesting.

Dinner music was furnished by Frederick Strand, who is one of Chicago's most talented organists.

In the evening the neighbors, the new and the old, were invited by Mrs. Boyden to participate in a musical get-together. Strand also provided the music for this occasion. To the strains of the new songs mingled with those of long ago, new friendships were formed and old ones renewed.

Mrs. Carl Bedecker of Streator has returned from spending two weeks with her daughter, Mr. and Mrs. Jerry Kovar.

Stanley Staton and son Thomas spent the weekend with his parents, Mr. and Mrs. Lee Staton at Clarkston, Ky. Thomas celebrated his tenth birthday Saturday.

Dennis Wheeler, a student at Northwestern University, spent the weekend at home with his parents, Mr. and Mrs. Robert Wheeler. He was accompanied by his room mate, Dave Scheulke of Manistee, Mich. They attended the homecoming at Lincoln-Way.

Mr. and Mrs. Donald L. Scates and son Donald spent a few days in the home of his parents, Mr. and Mrs. Roy Scates at Detroit, Mich.

Mrs. Betty Shear of Ann Arbor, Mich. spent last weekend as a guest of Mr. and Mrs. Donald L. Scates.

A turkey dinner is to be given by the Ann Rutledge PTA at the school Nov. 8, serving from 12 to 6 pm.

Mr. and Mrs. Emerth Boyden were hosts Sunday, Oct. 11 at a family gathering. Those present were Mrs. Amy Taylor of Harrisburg, Ill. and her daughter, Mrs. James Tucker and son Don Lee of Winchester, Ind. Mrs. Jack

Scoutmaster of Jamboree Troop Named

M. Rex Easterling, chief accountant at Caterpillar Tractor Company, has been named to serve as Scoutmaster of the Rainbow Council Jamboree Troop, it was announced today by Alfred C. Levering, Jamboree chairman. The Jamboree will be held July 22 to 28, 1960 at Colorado Springs, Colo., and will commemorate the 50th anniversary of the Boy Scouts of America.

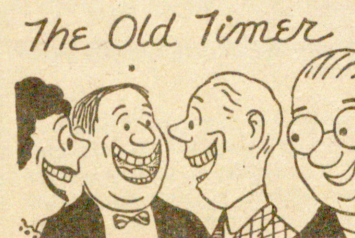

A native of Longview, Wash., Easterling was selected from many qualified applicants, Levering stated. The selection of Easterling was made by the Councils Jamboree committee.

As a Scout, Easterling earned the Eagle rank and also the Quartermaster award, which is the highest rank in Sea Exploring. He has served in various volunteer leadership capacities including Scoutmaster, Camping and Activities chairman, District Committee Member and Troop committeeman.

He was the 1959 chairman of the Scout Fair and is currently a member of the executive board of Rainbow Council, Boy Scouts of America.

In addition to Easterling the local Jamboree troop will consist of 37 Boy Scouts and Explorers, and two assistant Scoutmasters. Selections of the assistant Scoutmasters will be announced in the near future.

Members of the Jamboree Committee are: Dr. Charles Hoffman, Carl Kepner, Robert McQueen, Henry L. Dean, John Gerth, William Ashbaugh, James Loeffler, Jack O'Meara, Willard Perkins and Judge Leonard Hoffmann.

"There still are a lot of wide open spaces in this country. The trouble is most of them are surrounded by teeth."

Brian and daughter Leslie, Mrs. Lester Whitaker of Chesterton, Ind. and Mr. and Mrs. John Carter of Crown Point, Ind.

Mr. and Mrs. Charles Jones entertained at dinner Sunday, Oct. 11 in honor of their daughter Carol's 12th birthday. Those present were Mr. and Mrs. Carl Bergstrom and children Nancy and Carl Jr., Mr. and Mrs. George Fritzler and children Thomas Paul and Jane, Mrs. Clarence Miller and

children Joann, Janet and Cathy Ann, and Mrs. Mary Wytrawski and daughter Sophia, all of Chicago. Carol received many lovely gifts.

The teachers of the rural schools known as the "Lincoln Highway group" held their October meeting Oct. 20 at the Ann Rutledge school. Hosts at the meeting were the teachers of the school and Mrs. George Walker, a former teacher at Ann Rutledge.

Mr. and Mrs. Thomas C. Taylor and daughter Kathy of Plant City, Fla. were weekend guests in the home of his aunt and uncle, Mr. and Mrs. William C. Davidson. From here they went to spend their vacation with Mr. Taylor's parents Mr. and Mrs. W. D. Ashton of Gary, Ind.

Business & Finance

BY MAURICE P. ANGLAND

The steel strike and its length fooled many who are usually quite accurate in their appraisal of such situations. The main point on which the union has been adamant, has been company proposals to change work rules to end at least part

of what is termed "feather bedding" or payment of labor costs which are not productive.

A number of unions are likely to have this same problem come up in their contract negotiations. All seem likely to be willing to fight hard against any such changes.

Analysts of such labor situations express the opinion that McDonald, head of the United Steel Workers, could not give in on this point and remain as head of the union. If this is true, it is a little difficult to understand prolonged objection to the union position in this respect as the man who would replace McDonald might be less desirable and McDonald is a known factor.

It is impossible to read all the investment advisory services, but two of the best known predict that settlement of the steel strike will be followed by a quick recovery to new record highs in total production and other measures of economic activity.

Both then predict after the initial rebound, further upward progress will be slower, but satisfactory.

The tightening of money and increase in interest rates is not expected to have any ill effects on the economy as a whole. The major business segment to be hit by tightening money conditions, is residential building. This index has already turned downward. It is pointed out, however, that a housing boom is not requisite to a general rise.

Residents of this area will be interested in the reported plans of U. S. Steel to build a large addition to their Gary works. It is reported in steel circles that the plans are to make the Gary area U. S. Steel's biggest facility altho this development is to take place over a period of years.

This first phase is said to be on the drawing boards now and that it will be developed using the oxygen process of steel making. It is reported that Kaiser Industries engineers are now at work designing the new furnaces which are known as "kettles". Kaiser Industries has the American rights to the Austrian patent covering this process. The oxygen process is said to be able to make steel faster and better at lower costs. Acme Steel in its new plant, is using this process.

A development of interest to railroads in the Calumet Harbor area was the announcement that the Interstate Commerce Commission has approved the applications of six roads to serve the port area. The six roads are the Illinois Central, Pennsylvania, New York Central, Indiana Harbor Belt, Belt Railway, and the Chicago South

Shore and South Bend.

Entrance to the port is to be thru extension of the line from the Kensington and Eastern Railway which is owned by the Illinois Central. The Pennsylvania and Illinois Central also had a contract with the Chicago South Shore to extend their tracks into the Pennsylvania terminal in the port, by passing under the 130th st. bridge. News dispatches do not advise if this has been approved, but it seems likely. The South Shore is to receive payment on each car using its facilities.

The South Shore has a perpetual lease from the Kensington and Eastern to use its tracks from the Indiana border to the Kensington yards. This lease dates back to about 1905. Considerable of the cost of raising the tracks in this area was paid for by the South Shore.

Previous to this decision the only railroad serving the port directly, was the Rock Island which achieved this position by purchasing the old Pullman Railroad some years ago.

DENTAL HEALTH

PREGNANCY AND DENTAL DISEASE

Again and again, dentists must debunk the old wives' tale that a tooth is lost for each child born.

The legend possibly grew during the early days when it was believed harmful for any work to be done on the mouth during pregnancy. As a result, teeth were neglected for the nine months. This often meant that at least one tooth decayed so badly that it had to be extracted.

Today, dentists and physicians agree, it is not only safe for an expectant mother to visit the family dentist, but essential.

Contrary to the popular legend, calcium salts are not drained from the mother's teeth during pregnancy. Nor is the saliva in her mouth unusually acid. Clinical studies also indicate that the dental decay rate during this period is normal. Thus, pregnancy in itself is not a cause of dental disease.

If dental decay increases during pregnancy, it is probably the result of increased and frequent consumption of sweets, poor mouth hygiene and neglecting to have regular dental examinations.

For these reasons, many dentists advise pregnant women to receive dental care, including mouth prophylaxis at intervals of every three or four months. And mothers are instructed to brush their teeth carefully after eating. Many dentists believe that there can be increased gum disease during pregnancy. Regardless of the cause, however, it is universally agreed that the best protection against gum disorders in pregnancy is good oral hygiene and regular dental examinations.

A tooth that has become badly infected, can be removed with safety during this period. In the olden days, dentists would put off removing these teeth until after the baby came, but the normal practice today is to remove the tooth as soon as possible and cure the infection. Extraction of teeth will not cause a miscarriage or harm the baby.

(Next week: Dental Care for Handicapped Children.)

Choral Groups Hold Picnic At Lockport

BY VIRGINIA SASS
New Lenox 3133

The Lockport township high school choral department had a picnic last Sunday in Haley park in Marley. Hosts were the new members of the group. Entertainment was furnished by some of the members. Sally Johnson and Alma Lauffer, respective presidents of the Girl's Chorus and the A Capella Choir, acted as MC's. The climax of the day's activities was a lipstick initiation.

Miss Louise Berg, daughter of Mr. and Mrs. Clare Berg of Marley, was crowned Queen of the Lincoln-Way high school homecoming, last Saturday night. Louise is a Senior student at Lincoln-Way.

Mrs. Fletcher Binion, Sr. of Sarasota, Florida, has been spending the past two weeks here with her son and family, Mr. and Mrs. Fletcher Binion, Jr. and children Gene and Peggy. She has also been visiting her daughter and family, Mr. and Mrs. Donald Benn and children at Crystal Lawns.

Mrs. Ray Hamer spent October 12th and 13th attending the Will County Minister's Wives Retreat at the McLaren Foundation at Sycamore, Illinois.

The Marley BYF will have a Hayrack Ride Saturday evening, October 24th. The group will meet at the Russel Lauffer residence at 7:30 p.m.

A Halloween party will be held at the Marley church, Friday night October 30th at 7:30 o'clock. Everyone is invited and are requested to come in costume. The Do-Unto Others club will serve refreshments. The Marley church observed Laymen's Sunday during morning worship on October 18th. The following service was presented by the men of the church:

Invocation and call to Worship-- Cecil Hale. Responsive reading-- Russel Lauffer. Prayer--Harwood Stellwagen. Children's Story--Lee Fears. Scripture--Garret Cummins. Sermon--O. D. Ferguson. Special Music by the men. Benediction--Royal Corp. Mr. and Mrs. Wayne Peterson

National Tea Observes 60th Anniversary

Celebrating its 60th diamond anniversary in the grocery business, National Tea company of Chicago is marking the event with a two-week anniversary sale of foods, toiletries and household products in all of its 935 stores, thruout the central and southern states, according to Harley V. McNamara, president of the supermarket chain.

Begun in 1899, with a small neighborhood grocery store located in Chicago, National Food stores today serve mid-America with 935 supermarkets in eighteen states. Today it is the fifth largest food chain in America.

Harvey Moose Win Awards At Convention

At the recent Loyal Order of Moose State convention held in Peoria, Elmer Moore of Harvey and George Hein, 183rd and LeClaire, Tinley Park, were awarded trophies for publicity efforts. Hein's award was accepted by Harvey Moose Lodge Governor Edward Scully of Homewood, as Hein was unable to be present.

Moore entered the lodge publication, "Moose Bugle" in class III, (publications produced by the offset method) and Hein entered the Lodge scrapbook in Class I (Lodges of more than 1500 members.)

Both men received individual awards of gold belt buckles inscribed with the Moose insignia.

Following are the awards given out for publicity at the convention: Lodge publications class III, 1st place, River Grove; 2nd Harvey, 3rd Mt. Morris. Publicity scrapbooks, class I, 1st place, Roseland, Chicago, 2nd, Harvey, 3rd Woodstock and Portage Park, Chicago.

and family of Melrose Park were guests on Friday in the home of Mr. and Mrs. Loren Sass.

The Marley Mother's Club will meet at the Marley school on October 23 at 7:30 p.m. This is Family Night. The telephone film, "Illinois Holiday" will be shown.

Khrushchev - Is He Or Isn't He?

(Editor's Note: Nikita Khrushchev, Russian leader, may still be an enigma to many Americans who learned much about him thru the press and television during his recent visit. But Marlene Moore, an 8th grade student at the Central Public School, Tinley Park, has formed some very definite opinions which she set forth in a composition written in the school's creative writing class, as follows, which we think will be of interest to readers.)

IS HE OR ISN'T HE?

This is a question asked by many people in the United States. Is Nikita Khrushchev going to be like the previous rulers of Russia? In this story I will state the reasons why I think this man will be dif-

ferent.

I don't think he will execute as many men without a good reason. Most people think that every Russian leader is the same. It seems very hard to compare a Russian leader with our President.

From what I've heard and read this man seems to have different ideas. Now that he is visiting our country he might have more ideas about improving Russia's government and some of the conditions in Russia. Russia's government of course is different from ours. We, meaning the people of the United States, control the government. But in Russia the people have nothing to say about how the country should be controlled.

Khrushchev said that the exchange visits between him and President Eisenhower would help regulate the cold war to a much warmer climate. He also stated that human beings were not born to kill each other. They were born to live in peace. Then he mentioned that the first commandment of Christ's religion is, "Thou shalt not kill." Khrushchev said that at the meeting in Geneva had convinced him that the American people value and love peace.

I don't think Khrushchev or any other leader will try and change the way of life over there. That is their life and I guess they are used to it.

He keeps mentioning that we are free over here and lead a free life and so why must he have so many guards and police escorts. He and can't understand why he can't. He has forgotten about the Hungarians who were arrested or killed trying to get across the border to freedom. Many people who lived in Hungary or had relatives in Hungary who are living here did not forget. If anything were to happen to Khrushchev here it could easily start off World War 3. I think this man is taking advantage in that respect of the word freedom. Surely he must understand that this word can only go so far especially for a man who has many enemies here.

I can't say as yet what this man will be like. I can only hope for the best.

GIRL SCOUTS

TRI-KENA NEIGHBORHOOD Girl Scout activities in the Tri-Kena area have begun for another year. This area covers Mokena, Frankfort, New Lenox, Lincoln Estates and Lincolnwood.

The new Neighborhood chairman is Mrs. Duane J. Knize and the secretary reporter is Mrs. James D. Pels, both of Mokena. Thanks are expressed to the retiring chairman, Mrs. John Pettersen and secretary, Mrs. Wallace Yunker for their work during the past year.

At the October meeting a movie was shown, entitled "Let's Go Troop Camping," also colored slides of the new 63 acre campsite Hawthorne Ridge, located near Crete. In this primitive wooded area are found more varieties of hawthornes than anywhere in the United States. Accommodations for 24 girls are provided in six large tents which are on platforms and contain cots and mattresses. An enclosed shelter stores complete cooking equipment and can be used for rainy day activities.

Arrangements have been made to hold the next Neighborhood meeting at Hawthorne Ridge Nov. 4, to acquaint the leaders with the campsite. More information will be given next week on the trip.

U. of I. Library Gets Original Lincoln Letters

Two original unpublished letters of Abraham Lincoln are among items bequeathed to the University of Illinois Library by the late Miss Sarah Elizabeth Bryan of Los Angeles, Robert B. Downs, Dean of Library Administration, has announced.

The letters written in Springfield were addressed to Miss Bryan's grandfather, P. A. Cheever at Tremont, Ill.

Miss Bryan, an Illinois alumnus, received the A. E. degree in 1908 and the B. S. degree in library science in 1910. She was the daughter of Alice Cheever Bryan, first woman graduate of University of Illinois.

"Of course women make fools of men—but they get lots of cooperation."—Lavonne Mathison.

FLEX-O-GLASS
Over Your Doors & Windows
A Few Dollars Is All It Takes

"Flex-O-Glass has made our porch a year 'round, livable room. The children love it."
"Here's an inside view of our large screened porch. If you couldn't see the snow outside, you'd think it was taken in summer. What doesn't show is the crystal-clear Flex-O-Glass tacked over our screens—an invisible barrier between our home and winter. This is the second year we have used the same and winter. We expect it to last at least two years more. That Flex-O-Glass. We expect it to last at least two years more. That means it will cost us only about \$15 a year to protect the rest of the house against drafts. We can leave our furniture on the porch the entire year and provide a warm, protected play area for the children. If you would like to use this letter to tell other home owners how much they're missing by not using your wonderful Flex-O-Glass to protect their homes against winter weather, you have my enthusiastic approval."

RAILROAD FEATHERBEDDING: \$500,000,000 LOSS TO THE NATION—INCLUDING YOU—EVERY YEAR

Featherbedding on the railroads — pay for work not done or not needed — is costing the American people the shocking total of more than \$500,000,000 a year.

You pay for it every time you shop, because featherbedding costs are hidden in the price of everything you buy.

Obsolete union work rules, involving the railroad operating employees, are responsible for this gigantic burden. Right now, for instance, these rules require every diesel locomotive to carry a fireman—even though diesels have no fires to stoke, no boilers to tend.

The forthcoming negotiations between the railroads and the unions are urgently important to the whole nation.

In asking the unions to drop these featherbedding rules, all the railroads ask for is a fair day's work for a fair day's pay.

List Volunteer Jobs to Fit Oak Forest Temperaments

Volunteer Service opportunities at Oak Forest Hospital, 159th and Cicero include satisfying activities for men and women, tailor made to fit a variety of temperaments, qualifications, and time schedules. Further information is available at FU 8-2360 or WA 8-4200, via Mrs. Edith Smith, Director of Volunteer Services.

Volunteers contributed 1672 hours of service during August, to the 2600 geriatric and chronically ill patients at Oak Forest Hospital; at Cook County hospital, which is one of the world's largest institutions devoted to this specialty. Among the assignments available to Volunteers are:

Hospital Supply Aide works as an assistant in the Central Sterile Supply Room preparing and dating surgery supplies, packaging needles and gloves, checking equipment. She works directly with

supervisory nurse and technicians.

Clerical Aide works in any assigned department where filing, posting, addressing and or special projects require additional clerical help.

Escort takes patients in wheel chairs to and from Therapy for treatments; out-of-doors in the summertime; to the chapel for special services; shopping at the country store; to the nourishment bar; business office or recreation hall.

The Friendly Visitor is assigned to specific patients through Medical Social Service Department. The volunteer calls regularly on assigned patients to develop a friendly personal relationship. The volunteer works closely with the casework staff.

Hostess assists dietitian at mealtime in decentralized dining rooms on wards while the patients are eating at the tables. The hostess pours coffee or milk, cuts meat, butters bread and generally assists handicapped patients to feed themselves -- and to enjoy their meal time.

Nourishment Bar Aide assists the kitchen staff to pour out and serve liquids to ambulating patients. She acts as hostess during hours the bar is open.

County Store Shoppers take a cart from the store to assigned bedfast wards with saleable items. Ward routes are regular and weekly. No less than two shoppers are assigned to each cart. Volunteers work with store management. Personal shoppers make purchases of individual or special orders at the store and then deliver the items to the patient.

Casual Visitor is assigned to writing letters, running errands or lending a sympathetic ear to patients who have no Friendly Visitor, friends or relatives. Patients, nurses, Social Service and other Departments place requests for this service the Volunteer Services Department.

Psychology Aides assist the hospital psychologist in administering tests to patients, arranging and scheduling appointments and in some speech therapy work.

Librarian takes the book trucks with magazines and books to patients in non-ambulating wards. Each volunteer librarian has an assigned, regular route. She works under the direction of the chief librarian.

Recreation Aide assists with bi-monthly games, parties, picnics, movie programs, assisting patients to and from recreational area, serving refreshments. The volunteer may be assigned to assist in a variety of programs both on wards and in the recreational hall. Skills in music, group games, and song leading, are especially helpful in this assignment.

Color Slide programs are presented in the evenings in the bedfast wards by volunteers who furnish their own projector, screen and slides.

Occupational Therapy Aide assists with supplies, pattern making, assisting patients. They work directly with staff therapists. Some familiarity with leather crafts, rug weaving embroidery, crocheting, hand or machine sewing and or special arts or crafts is helpful.

Typists work in various departments to do special assigned typing, projects. These assignments may vary from week to week.

\$9.5 Million Hospital Bond Issue Coming Up Nov. 3

(CNS)--The county board this month is expected to authorize placing a \$9.5 million bond issue program for County Hospital improvements before voters at the Nov. 3 judicial election.

The program was reviewed at the board's Sept. 15 meeting. New construction work would take up most of the funds. The biggest item would be \$5,100,000 to construct and furnish a new Hektoen Laboratory to replace the present inadequate structure at County Hospital. The new laboratory building would also house the hospital morgue and the pathology department.

"The new Hektoen Laboratory will have much needed increased space, and modern facilities and technique to permit the best practice of medicine in the care and treatment of our patients," said Daniel Ryan, county board president. "It will also offer the finest teaching facilities for our intern and residents."

The new issue also would pay for the following improvements: Build and furnish an 88 room addition at Karl Meyer Hall to house the increased number of interns and residents staffing the new outpatient clinic. The estimated cost of \$750,000 includes air conditioning the dining room.

Purchase of additional land north of the Hektoen building, \$25,000. This land, owned by the Medical Center Commission, and the present site will be utilized for the new building.

Remodel the morgue building to house a modern, expanded corner's medical laboratory to be staffed by pathologists, medical investigators, technicians, director of toxicology and associates, and others, \$750,000.

Remove dangerous overhanging cornice of the main hospital building and rebuild, \$400,000.

Improve storm and sanitary sewers in the basement areas, \$280,000, and rehabilitate the entire fire equipment, lines and pumps, \$200,000.

Install air conditioning units to serve the new three story receiving building, the new main x-ray department, the social service department, and sterile supply and solutions department, \$450,000. Because of low ceilings and the large patient load, these areas need cooling during the summer months, Ryan said.

Remodel and equip an old clinic building at 519 S. Wolcott to house the hospital's chest clinic and surgical unit, \$750,000.

Expand and refurnish the cardiophysiology department, relocate the x-ray department, construct and furnish new hospital areas on the north and south roof of the Children's Hospital building to house the cardiac surgical unit with operating, anesthesia, recovery, nursing and doctors' rooms; \$450,000.

Remodel the west end of the second floor of the main hospital building on the Harrison street side to house the new operating room suites and necessary areas for the eye, ear nose, and throat department.

C. R. Hodgman, deputy comptroller, said the general obligation bond issue would increase the tax rate by 1.1 cents on each \$100 assessed valuation on property. The bonds would mature at the rate of \$475,000 a year from 1960 through 1980.

LINCOLNWOOD Cubs Present Skit Using Hand Puppets

BY DELORES ANDERSON
New Lenox 3651

Cub Scout Pack 41 met for their monthly meeting, Friday night Oct. 16, at the Schmul school. Members of Cub Scout Den 1 entertained with skits prepared from their theme for the month, "Aesop's Fables". They worked with hand puppets that they made as the handicraft project for the month. Refreshments were served by Mrs. Ralph Oldt.

Brownie Scout troop 307 from Schmul school enjoyed a werner roast with the Tri-Scout group at the Mokena park Saturday.

The Schmul School Community club will meet Friday night Oct. 23, for their monthly meeting at the school. A Halloween party will follow the business meeting.

Members of the Busy Hour 4-H club met Friday night at the home of Miss Virginia Manzke, Laporte road, for their first fall meeting.

Mr. and Mrs. Kenneth Mills and family attended the wedding of her cousin Jay Massey, and Miss Pat Wilson, at the Methodist church in Frankfort, Oct. 10.

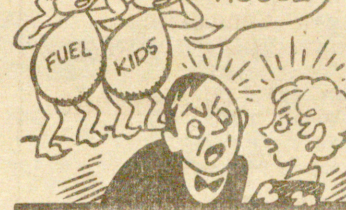

Mrs. Julia Evans of Valparaiso, Ind. is visiting here for a few weeks with her grand-daughter, Mr. and Mrs. Clifford White and family.

Mothers of the first grade class at Schmul school served a hot lunch to the school children, last Wednesday.

There were four trailer parks in New York City at latest count.

Country Club Hills

John W. Marts to Serve City as Police Chief

BY MARGOT BARTNIK
Sycamore 8-7742

John W. Marts, was selected as our first police chief, by a Citizens' Committee composed of five people who represented community wide organizations. After a great deal of deliberation, the committee, choose Mr. Marts from among 25 applicants.

Chief Marts is 37 years old, married, and the father of three children - two girls aged 10 and 12; a boy, seven years old. He was officially named to the position by Mayor James Nally at the council meeting of Oct. 12th, and took over his duties Oct. 19. Until Mr. Marts takes up residency here in Country Club Hills, which shall be in the very near future, he is acting police chief. His past record is excellent and he is well qualified to assume this post, according to the committee. He served several years on the Home-wood police force, two as sergeant. He also attended several specialized schools given by the FBI and Illinois Chiefs of Police Association.

When asked to give the views of the J. E. Merriam Co., regarding a Civic Center, he replied that they feel it is a good idea but to build a center adequate to meet current and future needs would cost between \$100,000 and \$140,000. Basically, the erection of a civic center is more properly a city function it was pointed out. The status of the Homeowners park next to the firehouse is yet to be determined. It is thought that the land will be deeded to the Association and if not used as a park or maintained properly, the land would revert to the Merriam Co. The taxes on this tract would run approximately \$38 per year.

NEW HIGH SCHOOL
All residents of Country Club Hills are urged to vote Oct. 24 on the proposed bond issue for a new high school in Tinley Park. This second Bremen high school is said to be essential. The present school is crowded, having an enrollment of 1,900. Within two more years, the expected enrollment is set at 2,400. Residents of Country Club Hills will vote at the Thomas Lane Public school, 17920 Thomas Lane, between 12 noon and 7:00 p.m. If the school is approved, completion of the building is expected by September of 1961.

FIRE DRILLS
All children in School District #160 participated in a fire drill under the guidance of local fire and school officials. School Supt. Zenore Sykuta, Fire Lt. Robert Fitzpatrick, Firemen Stanley Sobczak, Dale Koehn, Orby Armstrong and Roger Harris observed that it took under 60 seconds to clear all the classrooms. Buildings and premises were inspected. At the end of the drill, the PTA safety committee delivered National Safety Council fire posters to each classroom.

PTA MEMBERSHIP DRIVE
Latest returns on the PTA Membership Drive, held Oct. 1-10 indicate that the goal of 300 member-families has been exceeded by at least 35 families. This year's household calendars were distributed to each family joining the PTA and demand exceeded the supply. There will be additional calendars printed soon for those who have not yet received them.

WOMAN'S CLUB
Members of the Woman's club have completed preparations for the spaghetti dinner to be held this coming Sunday, Oct. 25, at the VFW hall in Homewood. Serving hours will be from 4:00 to 7:00 p.m. Tickets may still be purchased from members of the club. The Woman's club hopes that people of this community will attend. Club members are to turn in their ticket money to Mrs. Leslie Younkers, 187th Loras Lane by Oct. 23.

JUNIOR CHAMBER
The Jaycees are sponsoring junior bowling for juniors and seniors. Persons interested may contact Rich Worden, 4650 W. 185th St., SY 8-0320. The Oak Forest bowling alleys are reserved on Saturday mornings by the Jaycees.

UNITED CHRISTIAN CHURCH
The Naomi Group of the Christian Women's Fellowship visited the Tinley Park hospital as volunteer workers and helpers during this past week. They plan to make this a monthly visit, alternating with the Esther and the Johanna circles. The recent issue of the United Christian News called attention to the article in the current issue of the Look Magazine, Oct. 27, on The Disciples of Christ, or the Christian churches. The article reveals that the denomination is seventh in size among Protestants. The Youth Fellowship will meet at 5 p.m. Sunday, Oct. 25th, with Barbara Leek, 1772 Anthony and Harold Jones, science teacher, to lead a discussion of the relationship between science and religion. Men of the Christian Churches in the area held a Men's Rally at the Irving Park Christian Church on Sunday evening, October 18th. The Rally was combined with a workshop on Evangelism; leaders were Mark Rutherford and Charles Bare. The adult discussion group will meet on Oct. 25 at the parsonage, 4511 W. 182nd Street, at 8 p.m. The Rev. Wendell Pew will attend a meeting of the Chicago Ministerial churches on Oct. 26. The Christian Women's Fellowship will hold their general meeting on Wednesday, Oct. 28th, at 8:30 p.m. at Willowview School. Members of Esther circle will be hostesses.

BOY SCOUTS
The Boy Scouts have begun a fund drive which will end Oct. 30.

fore the Homeowners Association can anticipate approximately \$3,-800 around April or May of 1960. The territory included in our Homeowners Association is land south of 175th and north of 187th streets. Clarence Leek, who was guest speaker at the Homeowners meeting Oct. 13, at Willowview school, mentioned that the covenants which run with the land, are one of the most important things in the community and is one of their major selling points, because they, in effect, guarantee preservation of the properties and they eliminate things which could detract or lessen the value of the individual's property.

When asked to give the views of the J. E. Merriam Co., regarding a Civic Center, he replied that they feel it is a good idea but to build a center adequate to meet current and future needs would cost between \$100,000 and \$140,000. Basically, the erection of a civic center is more properly a city function it was pointed out. The status of the Homeowners park next to the firehouse is yet to be determined. It is thought that the land will be deeded to the Association and if not used as a park or maintained properly, the land would revert to the Merriam Co. The taxes on this tract would run approximately \$38 per year.

NEW HIGH SCHOOL
All residents of Country Club Hills are urged to vote Oct. 24 on the proposed bond issue for a new high school in Tinley Park. This second Bremen high school is said to be essential. The present school is crowded, having an enrollment of 1,900. Within two more years, the expected enrollment is set at 2,400. Residents of Country Club Hills will vote at the Thomas Lane Public school, 17920 Thomas Lane, between 12 noon and 7:00 p.m. If the school is approved, completion of the building is expected by September of 1961.

FIRE DRILLS
All children in School District #160 participated in a fire drill under the guidance of local fire and school officials. School Supt. Zenore Sykuta, Fire Lt. Robert Fitzpatrick, Firemen Stanley Sobczak, Dale Koehn, Orby Armstrong and Roger Harris observed that it took under 60 seconds to clear all the classrooms. Buildings and premises were inspected. At the end of the drill, the PTA safety committee delivered National Safety Council fire posters to each classroom.

PTA MEMBERSHIP DRIVE
Latest returns on the PTA Membership Drive, held Oct. 1-10 indicate that the goal of 300 member-families has been exceeded by at least 35 families. This year's household calendars were distributed to each family joining the PTA and demand exceeded the supply. There will be additional calendars printed soon for those who have not yet received them.

WOMAN'S CLUB
Members of the Woman's club have completed preparations for the spaghetti dinner to be held this coming Sunday, Oct. 25, at the VFW hall in Homewood. Serving hours will be from 4:00 to 7:00 p.m. Tickets may still be purchased from members of the club. The Woman's club hopes that people of this community will attend. Club members are to turn in their ticket money to Mrs. Leslie Younkers, 187th Loras Lane by Oct. 23.

JUNIOR CHAMBER
The Jaycees are sponsoring junior bowling for juniors and seniors. Persons interested may contact Rich Worden, 4650 W. 185th St., SY 8-0320. The Oak Forest bowling alleys are reserved on Saturday mornings by the Jaycees.

UNITED CHRISTIAN CHURCH
The Naomi Group of the Christian Women's Fellowship visited the Tinley Park hospital as volunteer workers and helpers during this past week. They plan to make this a monthly visit, alternating with the Esther and the Johanna circles. The recent issue of the United Christian News called attention to the article in the current issue of the Look Magazine, Oct. 27, on The Disciples of Christ, or the Christian churches. The article reveals that the denomination is seventh in size among Protestants. The Youth Fellowship will meet at 5 p.m. Sunday, Oct. 25th, with Barbara Leek, 1772 Anthony and Harold Jones, science teacher, to lead a discussion of the relationship between science and religion. Men of the Christian Churches in the area held a Men's Rally at the Irving Park Christian Church on Sunday evening, October 18th. The Rally was combined with a workshop on Evangelism; leaders were Mark Rutherford and Charles Bare. The adult discussion group will meet on Oct. 25 at the parsonage, 4511 W. 182nd Street, at 8 p.m. The Rev. Wendell Pew will attend a meeting of the Chicago Ministerial churches on Oct. 26. The Christian Women's Fellowship will hold their general meeting on Wednesday, Oct. 28th, at 8:30 p.m. at Willowview School. Members of Esther circle will be hostesses.

BOY SCOUTS
The Boy Scouts have begun a fund drive which will end Oct. 30.

This is the Scout's only fund drive of the year. The Pokagon Trails Council has set a goal of \$400 for Country Club Hills.

CUB SCOUTS
Den Mothers for this year have been announced: Mrs. Gus Palumbo, Mrs. Wilma Cooper, Mrs. Zenon Sykuta, Mrs. Mary Douglas, Mrs. Marge Boyer, Mrs. Phyllis Livingstone, and Mrs. Frank Formos.

PERSONALS
Susan Roll, daughter of Mr. and Mrs. Leroy Roll, 18020 Baker, has just recovered from the mumps. She is a first grade at Central School.

Mrs. George Huemmer, 17955 Michael, has returned from a two-week stay at Ingalls hospital. She is feeling quite well.

Alan Jones, son of Mr. and Mrs. William Jones, 17945 Michael, is recovering from an accident at Central school. His thumb was badly punctured by a sliver which went up under the thumb nail.

Mr. and Mrs. George Barry, 18020 Michael, are happy to report that tests taken in Ingalls' hospital on their son Jimmy failed to show rheumatic fever. He is fine now and returning to kindergarten. Little Billy Cannon, son of Mr. and Mrs. William Cannon, 17767 Anthony, recently celebrated his third birthday with the gay assistance of Mrs. Roseann Costello with Shawn and Tommy; Mrs. Marjorie Ray with Danny and Lynn Ann; Mrs. Mary Jane Briggs with Billy and Bruce; Mrs. Patricia Cannon with Stephen; Michael Savicz, and the two grandmothers—Mrs. Mary Cannon and Mrs. Esther Nolan.

Mr. and Mrs. Fred Simons, 17766 Anthony, had week-end guests from Clinton, Ia. Mr. and Mrs. Eldo Krebs and their three children enjoyed the week-end of Oct. 17 with the Simons'.

Thomas Harmon, 18250 Anthony, went fishing with friends for five days at Spooner, Wis.

William Coughlin, 4450 W. 182nd Pl., took advantage of the short time allowed for hunting with bows and arrows at Hayward, Wis. hunting deer.

Edward Prosperi of the Tinley Park Airport is trying to locate the person who went fishing during the month of August in Canada - 400 miles north of Winnipeg. He is quite interested in discussing this fishing spot with the person or persons whom, he has heard, resides in Country Club Hills.

Orland Park
Firemen Plan Annual Fall Dance Nov. 21

BY MKS, LILLIAN KNOX
Fieldbrook 8-0211

The annual Fall dance of the fire department will be held Saturday, Nov. 31, in Saenger hall, Tinley Park. Dancing will start at 9 p.m. and continue until? Tickets may be obtained from any member of the department.

The Adult Bible class of the Methodist church will hold a bake sale Saturday, Oct. 31, at Loebe's store from 1 to 3 p.m. Members of the class and any member of the church desiring to contribute to the sale are asked to please have their bake goods at the store before 1 o'clock.

METHODIST NEWS
Thursday, Oct. 29, the Esther Circle of the WSCS will meet at the home of Mrs. Ray Myrick, at 10:30 a.m. Bring a sandwich, the hostesses will serve coffee and dessert at noon. At 2 p.m. "Week of Prayer and Self Denial" will be observed in Wesley hall. Mrs. Robert Plastow will conduct the services. Ladies of the church, Circle members and anyone interested are invited to attend.

On Saturday evening, Oct. 31, the MYF will sponsor another Halloween party for all the families of the church, to be held in the gymnasium of the elementary school from 7:30 to 10:00 p.m. Roller skating for young and old will be enjoyed and other Halloween entertainment. There will be refreshments. A free-will offering will be received to cover the cost of the rental of the gym and skates.

Mrs. Mary Lee Bressler will entertain the Mary Circle Tuesday, Oct. 27, in the new home in Mokena into which the family recently moved. This Circle is making a study of comparative religions. Those attending will meet at the church at 7:30 p.m. and if transportation is needed, call Mrs. Kuykendall, FI 9-7969.

The 18th annual meeting of North Central Jurisdiction, Woman's Society of Christian Service was held in the First Methodist Church, the Chicago Temple in Chicago, Oct. 7, 8 and 9.

On Friday, Oct. 9, Mrs. Harry Anderson, president of Orland WSCS, Mrs. Robert Plastow, Mrs. John VanBershot and Mrs. Adele Cooper, attended the luncheon held in the Terrace Casino room in the Morrison Hotel at 12 noon. Grace was given by Mrs. J. W. Anderson; salute to our workers by Mrs. F.

L. McDaniel and Recognition of Deaconesses and Missionaries by Mrs. Henry V. Loeppert, Mrs. Wilmer T. Phillips and Mrs. Paul Spencer. Sixty-five Deaconesses have served in teaching, hospital work mission work, abroad and at home.

Deaconesses entering retired relationship are: Miss Gladys L. Hobbs, 38 years. Missionaries on pre-retirement furlough are Mrs. Grace Bates, India 38 years service; Miss Martha McCutchen, China, Malaya, Sarawak, Borneo, 41 years; Miss Margaret Wallace, India, 39 years.

Introduction of candidates was followed by the Hymn "We Thank Thee Lord" by the audience and a vocal solo "How Beautiful Upon the Mountain" by Mrs. John W. Barbee, accompanied by Marie Briel Humphries.

The theme of the annual meeting was "There's A Light Upon The Mountain". Mrs. Donald Gibbs introduced Mrs. H. F. Brandt, chairman of section of education and cultivation, the Woman's Division, whose topic was "The Basic Mission and Policy of the Woman's Society of Christian Service," followed by questions and answers. Benediction was given by Mrs. L. N. Davenport.

A reception and tea was held in the Grand Ballroom at 4 p.m.

Mr. and Mrs. Howard Cooper of Orland and Mr. and Mrs. Richard Wondaal of Lansing are being congratulated on the arrival of a grand daughter, Friday, Oct. 9, at Silver Cross hospital, Joliet. The infant weighed 8 lbs. 15 oz. and has been named Janice Lee. Her parents are Mr. and Mrs. Paul Cooper.

Thursday afternoon, Oct. 15, Miss Mary Ginder, 3rd grade teacher in the elementary school, with Mrs. Robert Metzger assisting, led the class to the Orland State Bank for a tour. George E. Gee, cashier, escorted the group through the rooms and explained the various operations of the staff.

Norbert Jerling, superintendent of public schools, the faculty, their wives and husbands and members of the school board and their wives and husbands, held a get-together and dinner at MacKenzie's Restaurant, Thursday evening, Oct. 15. Mrs. Beverly Thompson showed films taken on the family trip in California.

Linda Buck has been home the past week, suffering with a severe attack of tonsillitis. She is better and hopes to return to school this week.

Gary, small son of Mr. and Mrs. Dudley Buck has been ill with Measles.

Mrs. Richard Ahlrepp entertained at a jewelry demonstration last Thursday afternoon.

Kay Halvorson, of 9850 W. 145th place, has been pledged to Kappa Delta, one of the twelve national Greek groups on the Lawrence college campus, at formal pledging ceremonies recently.

A potent new antibiotic germ-killer was the subject of a technical meeting in Chicago recently attended by Donald L. Pedrick, 10209 Huntington Court, a medical sales representative of Lederle Laboratories, American Cyanamid Company. Details of the chemical properties and medical application of the new antibiotic were presented and discussed by members of the Lederle medical staff. The drug was developed by scientists from an offspring of the micro-organic organism that produced Aureomycin chlortetracycline, the first broad-spectrum antibiotic, eleven years ago.

The annual bazaar and turkey supper held last week in Christ Lutheran church was reported a big success. The Woman's Society will hold a rummage sale in the church school house Wednesday Nov. 4, starting at 9 a.m. There will be a good selection of winter clothes of all kinds and many other useful articles for sale.

Mrs. Frank Buck entertained at a luncheon Thursday, Oct. 15, honoring the birthday of Mrs. Walter Yunker. Other guests were Mrs.

Milton Yunker, Mrs. John Homering, Mrs. James Gray and Mrs. Karl Ekberg.

Mr. and Mrs. Ray Myrick had as their guests Sunday afternoon, Oct. 11, Mr. and Mrs. Wm. Sandell of Augusta Fla. Mr. and Mrs. Robert McDowell of Evergreen Park, Miss Clara Myrick, Mr. and Mrs. Foster Myrick and children and Mr. and Mrs. George Sayers.

Nancy Hoffman of Lemont will be working with Mrs. George Wenberg of Palos Park in the Welcome Wagon club. Helen Grogan of Tinley Park is no longer connected with Welcome Wagon.

Mr. and Mrs. Harry Anderson are being congratulated on the birth of their first grandchild, a girl, on Saturday, Oct. 17, at Holy Cross hospital, Chicago. The infant weighed 4 lbs. 11 oz. and has been named Kimberley Ann. Her parents are Mr. and Mrs. James C. Flory of Sauk Village.

Mr. and Mrs. Carl Benson, Miss Astrid Oserg of Chicago and Mr. and Mrs. Nils Benson and son of Big Run Golf club were Sunday dinner guests of Mrs. Karl Ekberg. Carl and Nils are brothers of Ivar Benson, custodian at Orland elementary school.

Accidents Kill More Children Than Diseases

Accidents kill more children than do diseases. That is a tragic fact of modern America, and it is also true of rural Illinois, says O. L. Hogsett, extension safety specialist at the University of Illinois.

</

BREMEN BEAT

The Girls' Athletic Association of Bremen High school recently opened its membership drive with a chance for all Bremen girls to join at a cost of one dollar a year. Activities planned for the school year are swimming, volleyball, basketball, badminton, stunts, tumbling, softball and volleyball.

The annual sports carnival recently held at Bremen featured basketball, volleyball, and swimming. Student officials at basketball were Joanne Buchhaas, captain and referee; Peg Fierke and Carol Andrysiak, scorekeepers; Jill Hollingshead, Ruth Becker, and Joan Utke, referees and Judy Detrick, timekeeper.

Swimming captains were Donna Bonaker and Judy Porter.

The G.A.A. is selling Bremen decals on Wednesday and Thursday before each game. Salesmen are Edna Mangan, chairman, and Pearl MacConnell.

The organization, according to Mrs. Evelyn Aitken, faculty sponsor, "gives Bremen girls an opportunity to develop the traits of adaptability and likableness thru participation in a variety of sports and social projects. It also offers ideal situations for a girl to become a part of a group."

Assistant sponsors are Mrs. Linda Filley and Mrs. Judy Umbach.

Two alumni of Bremen Community High school recently were honored on the Illinois Wesleyan University campus at Bloomington, Illinois.

Jill Kelly, daughter of Mr. and Mrs. Charles A. Kelly, 16903 Oak Park ave., Tinley Park, was pledged to Kappa Delta, national social sorority, following rush week activities there.

Thomas Tomson, son of Mr. and Mrs. Thomas K. Tomson Sr., of 3238 W. 162nd st., Markham, was pledged to Acacia, national social fraternity following rush week.

Three alumni of Bremen Community High school recently won honors at Illinois Wesleyan University, Bloomington, when they were pledged to Sigma Chi, national social fraternity, following rush week which ended Sept. 13. They are the following: Pete Postlewaite, son of Mr. and Mrs. Edward H. Postlewaite, 15852 Turner, Markham; Charles Okresik, son of Mr. and Mrs. Chester Okresik, 15554 Ridgeway, Markham; and Russ Yonda, son of Mr. and Mrs. John Earl Yonda, 16001 St. Louis, Markham.

Arsenic and Old Lace, a farcical three-act mystery play, will be presented at Bremen Community High school Friday, Nov. 13, at 8 p.m. in the gymnasium.

The story concerns a typical American family mainly composed of two not so sweet old girls dedicated to charity. Unfortunately, their method of relieving the poor and lonely is to dispose of them in larcenous fashion.

Other zany characters consist of three off beat brothers, one of whom is under the illusion that he is Teddy Roosevelt. Another brother harbors the notion that he is a dramatic critic of sorts and the third is a bit too cold blooded for ordinary human comfort.

Mrs. Rosemary Wake is the director assisted by George Matsey.

Bremen students making up the cast are the following: Ann Combes as Abby Brewster; Sylvia Kettel, Martha Brewster; Paul Frederick, Teddy Brewster; Stanley Peterson, Jonathan Brewster; Bob Deske, Mortimer Brewster; Sue Williams, Mrs. Harper; Joy Bryson, Elaine Harp; Ralph Cox, Dr. Einstein; Andrew Postlewaite, Officer Klein; Allan Walker, Officer Brophy; Robert Cox, Officer O'Hara; Doug Noble, Lieutenant Rooney; Milton Wood, Mr. Gibbs; and Clayton Step, Mr. Witherspoon.

Nine students at Bremen were elected senators in the Student Council. They are Bill Dumond, Carol Fischer, Paul Bruggink, and Pat White, seniors; Dan Daugherty, Bill Klecka, and Carol Stader, juniors; Wavelyn Kent and John Mensing, sophomores. Freshmen will elect the second semester.

Student Council officers: Dave Syfert, president; Karen Digman, first vice president; Donna Rae Mc

Lellan, second vice president; Gail Veasman, secretary, and Sandy Henke, treasurer. Sandy was also appointed student treasurer of the homecoming committee.

Donna Rae McLellan was appointed chairman of the Tom-Tom committee, which produces the school handbook with names, addresses, and telephone numbers of the students.

Bill Dumond was appointed to have charge of the lost and found booth at Bremen. His helpers consist of Dan Mensing, John Mensing, Bill Klecka, Judy Anderson, Keith Smith, Sharon Tatum, Jack Bonaker, Pat Robinson, David Jones and Kathy Rieke.

Identification cards were recently distributed by the Student Council, and plans for the Harvest Haze, dance to be held in the Bremen cafeteria Friday, Nov. 20

were made. Karen Digman was appointed chairman of the "dress up" dance committee, which will have a live band.

The following student representatives were recently elected to that organization: Susan Glasson, Paul Lussow, Kathy Rieke, Andria Zukovich, Leslie Cornish, Sharon Tatum, Sandra Tilis, Carol Cebulski, Donna Polar, Sharon Schroll, Sandra Kennedy, Ned Neddermeyer, James Abbott, Linda Ekstrom, David Jones, Judy Hobbs, Penny Tomak, Judith Meier, and John Bowman. Freshmen alternates: Sherrie Gould, Sharon Lovrich, Darlene Robinson, Michael Whitney, Pam Collins, Judy Stewart, Pat Garrity, William Clark, LeRoy Krypiek, Sandy Randolph, Edwin Kloc, Peggy Owens, Judy Anderson, James Elliott, Lorraine Scianna, Scott Herrick, David Swi

gart, David Merz and Dave Blomberg.

Sophomores: Margaret Sivilie, April Weston, Betty Erickson, Sue Vaughn, Faith Jellena, Keith Smith, Pat Pater, Patricia Anderson, Judy Klupelis, John McDaniel, Pat Robinson, Judy Loderegen, Joanne Garay, Juliana Carlson, James Davis, Ron Holder, Dennis Nugent, Jack Ban, and Carol Schnert; Alternates: Carol Smith, Sue Williams, Louise Diaz, Karen Tuggle, Carol Janas, Lawrence Sherick, Emmett Pearson, Amber Aimers, Georgine Keuch, Diane Michels, Karen Ruins, David Lilly, Roger Hartmann, Nancy Burns, Leslie Dahl, Kay Henley, Judy Nyka, Joan Bruce and Art Wola.

Juniors: Jack Riback, Sharon Bienick, Vita Pignatiello, Audrey Johnson, Marlene Vahl, Nancy Simms, Lloyd Jackson, Charles

Albright, Sylvia Kestel, Rhoda Fidler, Rita Krzysiek, Linda Grenier, Arlene Mihalovits, Esther Sivilie, Mary Cloney and Gary Williams. Alternates: Veronica Rzepa, Joan Bonnell, Carol Novakowski, Mike Johnson, Jerry Vicker, Robert Simmons, Sue Gresent, John Amendola, Charlotte Karpus, Jeanann Ennis, Barbara Libbert, Gerry Mohr, Sandra Stuart, Betty Cowden and Bob Zwiener.

Seniors: Ilene Stoces, Martin Wood, Pat Hall, Jeanette Rizzuti, George Lilly, Donna Bonaker, Donna Johnson, George Rieke, Barbara Brown, Ann Hopman, Sue Donnelly, Jackie Neibert, and Dan Mensing; Alternates: Sylvia Snyder, Alice Winegarner, Lenny Grafstrom, Richard Rudd, Judith Lyle, Arnold Blatt, Bea Konopasek, Vicki Pelke, Pam Breslin, Joyce Hen-

Section 2 Page 12

derson, Nadine Doerr, Roberta Trump and Rosemary Milazzo.

George Rieke and Paul Bruggink seniors at Bremen Community high school, have just been named semifinalists in the 1959-60 National Merit Scholarship competition, according to Glenn Starnier, Bremen principal.

George is the son of Dr. and Mrs. Foster Rieke, 2812 Tennyson place Hazel Crest, and Paul is the son of Mr. and Mrs. Robert Bruggink 16494 Belle Plaine dr., Markham.

The local students are among 10,000 of the highest scorers in the National Merit Scholarship Qualifying Test, nation wide test of educational development given in more than 14,500 high schools last spring.

The semi-finalists outscored

more than 550,000 classmates and thus moved closer to the goal of winning a merit scholarship. They are the highest scorers in each state.

The semifinalists will undergo a three hour examination, the scholastic aptitude test of the college entrance examination board on December 5. Highest scorers at this point will become finalists.

The final determinants in deciding the winners will be high school grades, extra curricular activities, school citizenship and leadership qualities of the students. The competition is open to students in any public, private or parochial high school in the United States and its possessions.

Hiram Maxim of Hartford, Conn. invented the first successful gun silencer in 1909.
